

## **INSTITUTION INNOVATION CELL REPORT – 2021-2022**

According to the guidelines set forth by Innovation Cell, Ministry of Education, Government of India, the Institution Innovation Council (IIC) of the SEA College of Science, Commerce, and Arts was formed in 2021-22. The goal of the innovation cell is to provide a full ecosystem that will support the innovation culture of educational institutions from idea development to pre-incubation, incubation, and graduation as successful start-ups. Additionally, the innovation cell will establish a ranking system to identify institutions leading the way in innovation.

Our student body's creative energy is encouraged by the innovation cell to work on fresh concepts and innovations, and it is promoted to form start-ups and entrepreneurial endeavors.

### **VISION**

To foster creativity, critical thinking, idea generation, and entrepreneurial capacities among students and faculty in order to translate their unique ideas into prospective enterprises for societal advancement.

### **MISSION**

1. To foster an innovative culture within the institute.
2. To provide laboratories, infrastructure, and mentoring to students in order to prepare them for national/international hackathons/championships.
3. To foster multidisciplinary connections, research, and innovation.
4. To improve students' communication, business, management, leadership, team spirit, and complex problem solving skills.
5. Raise awareness of intellectual property rights and promote their enforcement.
