Entrepreneurship cell at S.E.A College focus on developing the entrepreneurial spirit/culture among the students which we believe is instrumental for our country to develop.. The students are motivated to nurture a passion for self

employment and become job creators and job providers than job seekers in the present world

Vision

To develop successful entrepreneurs by being a resource, guidance and motivation center through Innovation & creativity, Education & Research, and Community Engagement.

Mission

To instill entrepreneurial thinking in our students and to create a community of business practitioners with a lifelong commitment to achieving social and economic progress through entrepreneurship

Objectives

- To inculcate within the faculty and the students the need and importance of ED
- To promote culture of innovation driven enterprise among the students.
- To enable the students to be self reliant in their employment.
- To provide facilities and trainings for the skill development with formal education
- Develop self esteem of young entrepreneurship through Mentorship and networks
- To motivate students to develop their start up
- Fostering and developing entrepreneurship among the students

Our plan

- By Organising awareness program on Entrepreneurship
- Conduct business plan competitions.
- Organise Lectures, workshops and seminar by renewed personalities from different domains of expertise.
- To arrange skill development programs related to entrepreneurs.
- To provide a platform for interaction with established entrepreneurs.
- To arrange for industrial visits

Roles and Responsibilities of ED Cell members

- Motivate students to pursue Entrepreneurship as their career
- To motivate, support and mentor students for identification and development of their innovative ideas.
- To organize business plan competitions which involvement of industry.
- To arrange interaction with diverse entrepreneur and financial institutions.
