

MEMORANDUM OF UNDERSTANDING

This memorandum confirms an agreement between Robomations and Sea degree college. The contractor will provide a course/workshop to individual/group or work unit beginning from August 10th 2017 and ending November 30th 2020, for a maximum of 600/- per student per workshop or will be charged as per number of students in a group. As stated in the contract.

Whereas the sole purpose of the Memorandum of understanding is to encourage cooperation between the management of Sea Degree College and Robomations to identify the respective roles and responsibilities of each partner

This also states the coordinators from the college will have at least one meeting for having a clear objective of the workshops that will be conducted at their college premises with trainers of Robomations

The contractor will submit invoices to the SEA Degree College, which includes the GST and Travel Allowance of the trainers that will be allotted during the workshop

Modifications to this agreement shall be made by mutual consent of the parties, by the issuance of written modification, signed and dated by authorized officials, prior to any changes being performed.

This Agreement in no way restricts Robomations from participating in similar activities with other public or private agencies, organizations or individuals.

Either party, upon 30 days written notice may terminate the agreement in whole, or in part, at any time before the date of expiration
