GUEST LECTURE ON

“CHALLENGES IN GENDER EQUITY IN EDUCATION”

Organized by

WOMEN EMPOWERMENT CELL

DATE:08/07/2019

VENUE: Room no: 207

TIME:10.00 A.M

OBJECTIVE: To create awareness on challenges and issues with respect to gender equity in education.

ABOUT EVENT: Dr Gopal.M , the guest speaker for the awareness program spoke on various issues related to gender equity and education. Gender equality refers to the equal rights, responsibilities, and opportunities of all individuals, regardless of their gender. He said that one of the most pressing challenges in gender equality is gender-based violence. Women and girls worldwide continue to face physical, sexual, emotional, and economic abuse. Cultural norms and stereotypes perpetuate these abuses, making it difficult for survivors to seek help and justice. Encourage and support women's representation in decision-making roles in politics, business, and other sectors. Dr Gopal was of the opinion that gender equality remains a global challenge, requiring multifaceted efforts to overcome deeply ingrained obstacles. It is essential to address these challenges at individual, societal, and institutional levels. The session was an eye opener to the students. It was both interactive and informative.
