ABOUT COLLEGE

S.E.A. College of Science, Commerce and Arts is anchored in a value-driven organizational culture that encourages students, staff, and faculty to perceive education as a tool for self-expression, unfolding individual potential, and achieving excellence. The campus cultivates a familial atmosphere where members embrace each other's strengths and weaknesses, supporting one another in their journey toward mental resilience and physical agility. The institution promotes a culture of diligence, self-regulation, and self-discipline, fostering a reputation for its members as adept decision-makers in the face of dynamic challenges. Recognizing that success requires commitment without shortcuts, S.E.A. College of Science, Commerce and Arts instils a value system in young minds, guiding them through a transformative journey from basic literacy to a comprehensive education. This evolution involves a shift from reactive to proactive approaches, from follower to initiator, from a competitive mind-set to one of collaboration, and from self-contentment to team contentment. Encouraging a shift from casualness to creativity and from inactivity to competency, the institution creates an environment where individuals strive for excellence in both their professional and personal pursuits.

WORLD LETTER WRITING DAY

The Department of Languages marked World Letter Writing Day with a vibrant celebration that brought together creativity, tradition, and artistic flair. The event featured a Letter Writing Competition, where students showcased their expressive depth and linguistic elegance, and a Scroll Designing Competition that blended visual artistry with literary imagination. Both contests drew enthusiastic participation and highlighted the enduring charm of handwritten communication.

The Department of Languages played a vital role in shaping the event's intellectual spirit, having long nurtured the creative minds of students through its emphasis on narrative craft, critical thinking, and stylistic exploration. The competitions stood as a testament to the department's influence in cultivating articulate and imaginative individuals prepared to engage meaningfully with the world.

TEACHER'S DAY

The students of S.E.A college of Science, Commerce and Arts came together on **September 6th** to host a lively and heartfelt celebration in honor of Teacher's Day. Though the official observance falls on **September 5th**, the spirit of appreciation was in full bloom as students paid tribute to their mentors

with enthusiasm and creativity. The event was a joyful expression of gratitude, filled with laughter, games, and meaningful moments that highlighted the special bond between teachers and students.

A special highlight of the program was the address by our esteemed Principal, Dr. Muthe Gowda T.N., who spoke eloquently on the legacy of Dr. Sarvepalli Radhakrishnan—the visionary philosopher and former President of India whose birthday marks this occasion. Dr. Gowda reflected on Radhakrishnan's beliefs that emphasized the transformative role educators play in shaping not just academic success but character and citizenship. The celebration was a vibrant reminder of the enduring impact of great teachers and the deep respect they inspire in the hearts of their students.

WORLD LITERACY DAY

On September 8, 2025, the Department of Languages, in collaboration with the NSS Unit of the college, proudly observed World Literacy Day with a powerful outreach initiative aimed at promoting education for all. The highlight of the day was an awareness rally conducted in Tavarakere village, Bengaluru,

Karnataka, where students and faculty came together to advocate for universal literacy and the transformative power of education.

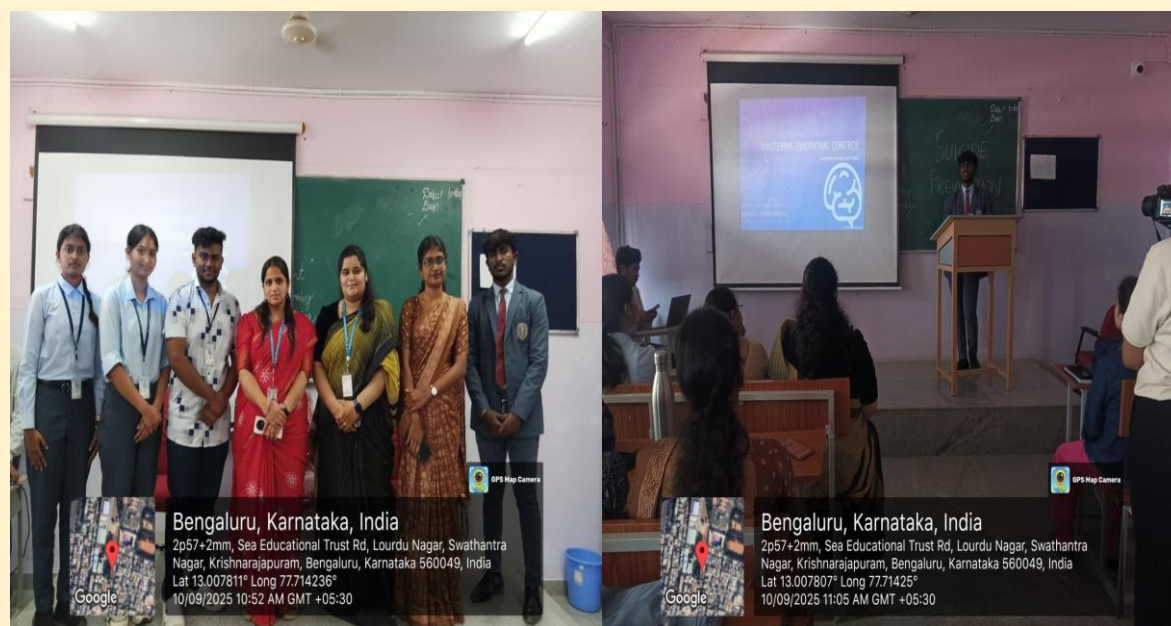

NSS volunteers, language faculty, and students from various departments participated enthusiastically, engaging with local residents and distributing informative materials to emphasize the importance of learning and literacy. The rally echoed the global call to action for inclusive education and reflected the college's commitment to social responsibility. Through spirited slogans, interactive sessions, and community engagement, the program left a lasting impression—reminding everyone that literacy is not just a right, but a gateway to empowerment and opportunity.

WORLD SUICIDE PREVENTION DAY

The Department of Psychology organized a **Suicide Prevention Awareness Program** on *World Suicide Prevention Day* (10th September 2025). The session, led by Mr. Lokesh Kumar L., final-year psychology student, focused on the importance of mental health, early intervention, and supportive communication. As part of the program, essay writing and poster-making competitions were held, encouraging students to express their views creatively

on suicide prevention. A practical session on calming the mind introduced participants to relaxation and mindfulness techniques to manage stress and anxiety. The event concluded with reflections on the role of empathy, awareness, and peer support in building a safe and supportive environment. It was an engaging and impactful initiative that combined awareness, creativity, and practical learning.

FLAIROLOGY WORKSHOP

On September 11, 2025, the Department of Hotel Management hosted an exciting **Flairology Workshop** at the BHM Auditorium, drawing enthusiastic participation from students eager to explore the art and science behind mixology. The session offered hands-on training in cocktail preparation, garnishing techniques, and flair bartending, blending precision with creativity. Led by experienced faculty and industry-inspired demonstrations, the workshop provided students with a professional glimpse into the world of hospitality and beverage service. It not only enhanced technical skills but also emphasized presentation, customer engagement, and confidence behind the

bar. The event was a perfect mix of learning and fun, leaving participants inspired and better prepared for dynamic careers in hotel management.

FRESHER'S DAY AND INVESTITURE CEREMONY

On September 12, 2025, the campus came alive with celebration as the Fresher's Day and Investiture Ceremony unfolded in the Multi-Purpose Auditorium. The event marked a warm welcome to the new batch of students and the formal induction of the student council, setting the tone for leadership and camaraderie in the academic year ahead.

Graced by distinguished guests including **Mr. Sandeep Deshpande, CEO of Statecraft Academy**, and **MS. Vinisha Yadav**, the Vice-President of S.E.A. Group of Institutions, the ceremony was both inspiring and festive. The program featured cultural performances, motivational speeches, and the official pinning of badges to newly elected student leaders. It was a day of pride,

promise, and celebration—ushering in a new chapter of student life with energy and purpose.

HINDI DIWAS

On 15th September 2025, the Department of Languages proudly observed *Hindi Diwas*, reaffirming the college's commitment to linguistic diversity and cultural heritage. The event served as a vibrant platform for students to engage with the richness of the Hindi language through two creative competitions: Essay Writing and Poster Making. The campus buzzed with thoughtful reflection and artistic energy as participants explored themes such as

“Rashtrabhasha se Vishwa Bhasha: Hindi ka Safar” and *“Hindi ka Sanmaan aur Shakti.”* These topics invited students to trace Hindi’s evolving journey, from national pride to global presence—and to express its enduring relevance in today’s multilingual world. The event not only celebrated the aesthetic and intellectual dimensions of Hindi but also encouraged students to reflect on the power of language to unite, inspire, and elevate. Through essays and visual storytelling, participants showcased their creativity, cultural insight, and emotional connection to Hindi as a language of both tradition and transformation. The Department of Languages extends heartfelt appreciation to all who participated and supported the event. By honoring Hindi Diwas, the college continues to foster a space where language is not just a medium of instruction, but a bridge to identity, empathy, and shared understanding.

INTERNSHIP AND STIPEND ISSUANCE PROGRAM

On 16th September 2025, the Training and Placement Cell partnered with VinTar Solutions to host an Internship and Stipend Issuance Program. Students from various departments gathered to explore internship opportunities tailored to current industry needs. VinTar Solutions presented a range of roles designed to offer hands-on experience and professional growth.

The session also highlighted the stipend structure, reinforcing the value of student contributions during their internships. Faculty and placement coordinators were present to guide students through the process and answer questions. The interactive format encouraged dialogue, helping students gain clarity and confidence about their career paths. Many attendees expressed appreciation for the initiative, noting its relevance and accessibility. By organizing this program, the college reaffirmed its commitment to bridging academic learning with real-world experience.

FIRST BOS MEETING FOR JOURNALISM

On 16th September 2025, the Board of Studies (BOS) for Journalism convened its first official meeting for the academic year 2025–2026, marking a significant milestone for the first batch of autonomous students at S.E.A. College of Science, Commerce and Arts. The session was chaired by **Dr. Rajeshwari R**, Associate Professor in the Department of Electronic Media, **Bangalore University**, whose expertise and leadership guided the proceedings with clarity and vision. The meeting focused on shaping a curriculum that reflects both academic rigor and contemporary relevance, ensuring that

journalism students are equipped with the skills and sensibilities needed in today's dynamic media landscape. Discussions included course structure, evaluation methods, and the integration of ethical and practical dimensions into the syllabus. Faculty members from the Department of Journalism actively contributed to the dialogue, emphasizing the importance of media literacy, critical thinking, and storytelling in the evolving field. The BOS meeting also highlighted the college's commitment to academic excellence and its readiness to embrace autonomy with responsibility and innovation.

FIRST BOS MEETING FOR FRENCH

On 16th September 2025, the Board of Studies (BOS) for French convened its first meeting for the Bachelor of Hotel Management (BHM) program at the college. The session was chaired by Mrs. E. Beryl, Head of the Department of Languages, in collaboration with the head of the BHM department Ms Kalanjali M and marked a key moment in shaping the academic framework for the college's autonomous curriculum.

Dr. M. Devendra, Principal of The Oxford College of Hotel Management , Bengaluru, and Ms. Kavitha Arun, subject expert in French, led the proceedings with insight and collaboration. Together, they reviewed and refined the

syllabus to meet both academic standards and industry relevance, ensuring that students gain practical language skills essential for hospitality careers.

The meeting emphasized the importance of cultural fluency, communication, and curriculum innovation in preparing students for global hospitality environments. Faculty members appreciated the thoughtful contributions of the subject experts and the clarity of the revised framework.

WORLD OZONE DAY

On **16th September 2025**, the Eco-Club and the Department of Botany and Life Sciences at organized a meaningful **World Ozone Day** celebration. The event began with a brief introduction on the significance of the day, followed by insightful speeches from students Sunitha and Pranitha, who emphasized the importance of protecting the ozone layer.

A short educational video was screened, covering key topics such as ozone layer depletion, its causes, and practical measures for its protection. The session also touched on the success of the Montreal Protocol (1987) and its role in phasing out harmful substances like CFCs. Students learned about the ozone

layer's vital function in shielding life from UV-B radiation and its connection to climate change mitigation. The event concluded on a hopeful note with the playing of the World Ozone Day song, reinforcing the message of collective responsibility and sustainable action. Through this initiative, the college encouraged students to become active stewards of the environment and contribute to global recovery efforts.

INVESTOR AWARENESS PROGRAM

On 17th September 2025, the Institution's Innovation Council and the Department of Commerce & Management organized an **Investor Awareness Program** in. The session, led by **Ms. Marina Jose Kanjikal**, focused on the basics of investing in the securities market, offering students valuable insights into financial literacy and investment strategies.

The program aimed to equip future professionals with foundational knowledge of market dynamics, risk management, and responsible investing. Students actively engaged with the content, gaining practical understanding of how the

securities market functions and its role in personal and national economic growth.

GUEST LECTURE ON ARTIFICIAL INTELLIGENCE

On 17th September 2025, the Department of Computer Science and Applications in association with the Institution's Innovation Council, hosted an insightful Guest Lecture on Artificial Intelligence. The session was led by Mrs. V. Christy M.E., (PhD), a distinguished expert in the field. Mrs. Christy introduced students to the evolving landscape of AI, covering its foundational concepts, real-world applications, and ethical considerations. The lecture sparked engaging discussions on how AI is transforming industries and reshaping the future of technology.

Students gained valuable exposure to current trends and were encouraged to explore AI-driven innovations in their academic and professional pursuits.

Faculty members praised the relevance of the session and the enthusiasm it generated among participants.

MICROORGANISM DAY

On **17th September 2025**, the Department of Life Science celebrated Microorganism Day. The event aimed to raise awareness about the vital role microorganisms play in health, environment, and industry. Through interactive sessions and visual presentations, students explored topics such as antibiotics, microbial diversity, and the impact of microbes on daily life. The celebration encouraged scientific curiosity and highlighted the importance of microbiology in solving global challenges.

This initiative reflects the department's commitment to experiential learning and fostering a deeper appreciation for the unseen forces that shape our world.

S.E.A. POSHANA ABHIYANA- 2025

On 18th September 2025, the Department of Clinical Nutrition and Dietetics at S.E.A. College of Science, Commerce and Arts (Autonomous) organized S.E.A. Poshana Abhiyana – 2025, a sensitization initiative themed “ನಮ್ಮ ನಡಿಗೆ, ಪೋಷಣೆಯ ಕಡೆಗೆ... A walk towards Urban Poor Settlement.” The event began at 11:30 AM, focusing on promoting health and nutrition among underserved communities.

Students and faculty participated in awareness activities that emphasized the importance of balanced diets and sustainable nutrition. The students and faculties distributed fresh fruits to the residents of the slum areas near Ayyappa nagar and informed them on the taking nutritious food to stay healthy. The initiative reflected the department's commitment to public health education and community engagement.

With the slogan “*Eat Healthy, Stay Healthy: ಸಮೃದ್ಧ ಪೋಷಣೆ- ಆರೋಗ್ಯದ ಮೂಲ*,” the event encouraged collective responsibility toward building a healthier society.

EXPERT TALK ON BRIDGING THE GAP: POLICE AND FORENSIC IN ACTION

On 18th September 2025, the Department of Forensic Science, in collaboration with the Science Club, organized an expert talk titled “*Bridging the Gap: Police and Forensic in Action*” for B.Sc Forensic Science and BA Criminology students. The session featured Mr. Devraj C, Crime Branch Officer, KR Puram, as the chief guest.

The event was graced by dignitaries including Principal Dr. T.N. Muthe Gowda, Vice Principal Hema, Dean of Academics Dr. S. Raji, and Dr. Nethra H.S., Head of the Department of Science/COE. Hosted by Ms. Aswathy B, the program began with a welcome address, invocation, and guest introduction.

Mr. Devraj shared compelling insights from his field experience, emphasizing the role of forensic science in solving complex cases. Students engaged actively, discussing evidence collection and police-forensic collaboration. The

session offered a valuable blend of academic knowledge and real-world application, inspiring students to pursue excellence in forensic investigation.

INTERNATIONAL HOUSEKEEPING WEEK

From **14th to 20th September 2025**, the Department of BHM successfully organized International Housekeeping Week, honoring the essential role of hospitality and cleanliness in the hotel industry. The week featured engaging activities that highlighted professional standards, creativity, and teamwork in housekeeping practices.

Led by Ms. Kalanjali, Head of the Department, and supported by dedicated faculty members, the initiative provided students with hands-on learning and appreciation for behind-the-scenes excellence. The celebration fostered pride in the profession and reinforced the department's commitment to holistic hospitality education.

S.E.A ALUMNI MEET 2025

On **20th September 2025**, the **SEA Alumni Meet – 2025** was held at the Multipurpose Auditorium of S.E.A. College of Science, Commerce and Arts (Autonomous), bringing together former students for a day of nostalgia, connection, and celebration. The event featured cultural programs, fun games, and heartfelt moments that rekindled memories and strengthened bonds.

A highlight of the day was the presence of Ms. Kamala Chandrasekar, a proud alumna of S.E.A College and the visionary Founder of Srishti Group of Institutions. Addressing the gathering, she encouraged current students to pursue their dreams and passions alongside academic excellence, emphasizing that true success lies in aligning personal purpose with professional growth.

The event was organized by the Alumni Association, with support from the Principal and Management, and reflected the college's enduring commitment to community, mentorship, and lifelong learning. Alumni shared stories of their journeys, inspiring students to envision bold futures rooted in values and

ambition. The meet concluded with renewed connections and a shared sense of pride in the SEA legacy.

INDUSTRIAL VISIT TO HAL

On **20th September 2025**, students from the B.Com and BBA programs embarked on an enriching industrial visit to Hindustan Aeronautics Limited (HAL). The visit offered students firsthand exposure to one of India's leading aerospace and defense organizations, deepening their understanding of corporate operations, production systems, and industrial management.

This experiential learning opportunity was made possible through the dedicated efforts of Ms. Hemavati, Head of Commerce and Management, along with Ms. Vidhya and Ms. Likitha, whose thoughtful coordination ensured a smooth and impactful experience.

The visit reinforced classroom concepts with real-world insights, inspiring students to connect theory with practice and explore career paths in dynamic industries.

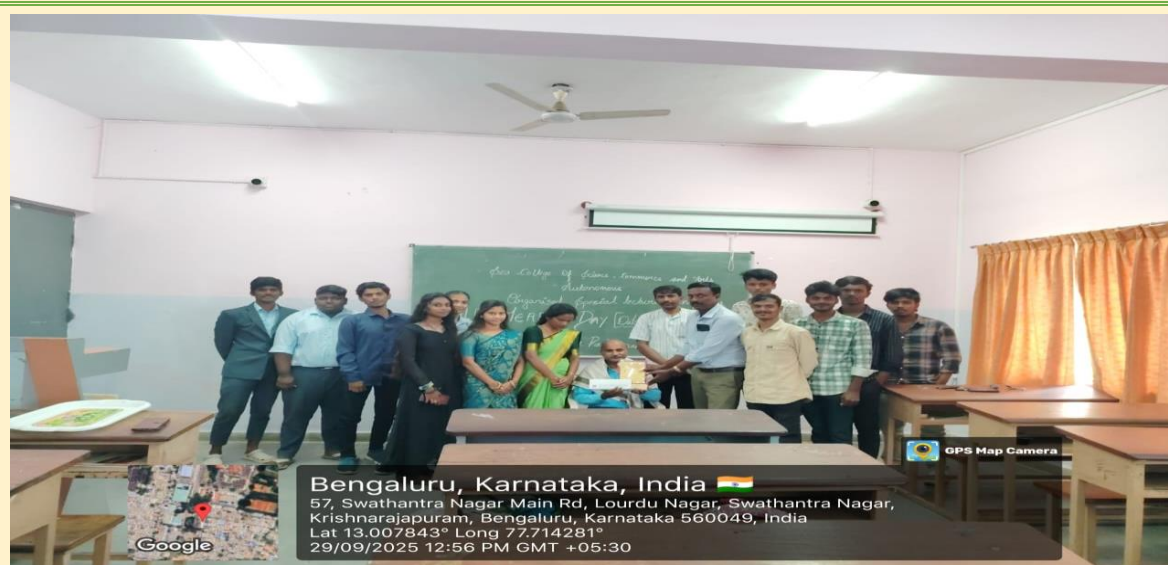

WORLD TOURISM DAY

On September 26th, S.E.A College of Science, Commerce and Arts celebrated **World Tourism Day** with energy and heart, led by the Tourism Club in collaboration with the Department of Hotel Management and YUVA Tourism Club. This year's theme, *"Travel: Global Journey, Shared Futures,"* invited students to reflect on how tourism connects cultures, fosters empathy, and builds shared understanding. Activities throughout the day highlighted the joy of exploration and the value of cross-cultural exchange. From interactive sessions to visual displays, the celebration reminded us that every journey, near or far, shapes who we are. As the message beautifully put it: *"Wishing you endless journeys and unforgettable experiences."* Happy World Tourism Day!

WORLD HEART DAY 2025

On September 29, 2025, S.E.A College of Science, Commerce and Arts observed **World Heart Day and National Women Health and Fitness Day** with a meaningful event organized by the Women Empowerment Cell. The program began with a warm welcome by Dr. Chowdhappa, Assistant Professor, who introduced the guest speaker, Dr. Padmanabha, Professor and Head of the Department of Physiology. Dr. Padmanabha engaged the audience with simple heart health questions before delivering an insightful talk on the importance of maintaining a healthy heart. Drawing from real-life examples of public figures like Dr. A.P.J. Abdul Kalam and Dr. Puneeth Rajkumar, he highlighted the growing concern of heart conditions in society. His speech offered practical guidance on fitness, lifestyle choices, and early remedies for heart issues commonly faced by today's youth. Mr. Mahalingappa, Head of Humanities, concluded the event with a heartfelt address and presented a token of appreciation to the guest. The session left students and staff with a deeper understanding of heart health and the urgency of preventive care. The event served as a reminder that awareness and action go hand in hand when it comes to wellness. Through education and empathy, the college continues to champion health as a shared responsibility.

TRAILBLAZERS

1.	Ms. P. Santhi Theja Head of the Department of BCA, has published a paper titled “ <i>AI for Smart Cities and Urban Planning.</i> ” The paper appeared in the <i>International Journal of Innovative Research in Technology (IJIRT)</i> , a peer-reviewed refereed journal with ISSN 2349-6002. It was published in Volume 12, Issue 4, September 2025.
2.	Ms. Parnapalli Pushpanjali , Asst Professor in the Post Graduate Department Of Computer Science and Applications has published a research paper titled “ <i>The Future of Breast Cancer Diagnosis: Benchmarking Quantum Machine Learning Models against Classical Techniques.</i> ” The paper appeared in the <i>International Journal on Science and Technology (IJSAT)</i> , a peer-reviewed open access journal with E-ISSN 2229-7677. It was published in Volume 16, Issue 3 (July–September 2025).
3.	Ms. K. Krishna Veni Asst professor in the Post Graduate Department Of Computer Science and Applications has published a paper titled “ <i>Toward Equitable AI Deployment: Overcoming Barriers to Breast Cancer Diagnosis in Rural and Underserved Communities.</i> ” The paper appeared in the <i>International Journal of Innovative Science and Research Technology (IJISRT)</i> , with ISSN 2456-2165, Volume 10, Issue 8, August 2025, with the publication date of September 6, 2025.
4.	Dr. Roopa P Asst Professor in the Department of Science has published a paper titled “ <i>High Performance Liquid Chromatographic Analysis of Sugars in Honeys from Western Ghats, Karnataka.</i> ” The paper appeared in the <i>Advanced International Journal for Research (AIJFR)</i> , an international open access peer-reviewed journal with E-ISSN 3048-7641. It was published in Volume 6, Issue 5 (September–October 2025).
5.	Dr. K Adishesha , Asst Professor in the Post Graduate Department of Computer Science and Applications has coauthored a paper titled “ <i>The Future of Breast Cancer Diagnosis: Benchmarking Quantum Machine Learning Models against Classical Techniques.</i> ” The paper appeared in the <i>International Journal on Science and Technology (IJSAT)</i> , a peer-reviewed open access journal with E-ISSN 2229-7677. It was published in Volume 16, Issue 3 (July–September 2025).
