ABOUT COLLEGE

S.E.A. College of Science, Commerce and Arts is anchored in a value-driven organizational culture that encourages students, staff, and faculty to perceive education as a tool for self-expression, unfolding individual potential, and achieving excellence. The campus cultivates a familial atmosphere where members embrace each other's strengths and weaknesses, supporting one another in their journey toward mental resilience and physical agility. The institution promotes a culture of diligence, self-regulation, and self-discipline, fostering a reputation for its members as adept decision-makers in the face of dynamic challenges. Recognizing that success requires commitment without shortcuts, S.E.A. College of Science, Commerce and Arts instils a value system in young minds, guiding them through a transformative journey from basic literacy to a comprehensive education. This evolution involves a shift from reactive to proactive approaches, from follower to initiator, from a competitive mind-set to one of collaboration, and from self-contentment to team contentment. Encouraging a shift from casualness to creativity and from inactivity to competency, the institution creates an environment where individuals strive for excellence in both their professional and personal pursuits.

6. **Kalanjali M HOD, Hotel Management**
7. **Narasimhappa HOD, Social Work**

GANDHI JAYANTHI COMMEMORATION

On October 2nd, Gandhi Jayanti was observed on campus with great reverence and participation. The event was organized in the presence of the NSS and NCC coordinators, along with enthusiastic involvement from students across various departments.

Principal Dr. Muthe Gowda T.N. addressed the gathering, highlighting Mahatma Gandhi's enduring values of truth, nonviolence, and selfless service. The program included speeches, patriotic songs, and a pledge to uphold Gandhian principles in daily life. The active participation of students, guided by the NSS and NCC units, reflected the spirit of unity and commitment to the ideals Gandhi stood for, making the celebration both meaningful and inspiring.

BHM STUDENT SHINES AT PHA YUVA ANNUAL DAY

On October 4th Ms. Prathiksha, a first-year BHM student, brought laurels to the college by winning the **Gold Medal** in the short video competition held during the **PHA Yuva Annual Day** organized by the Professional

Housekeeping Association in Bengaluru. Her creative video on the theme “*Qualities of a Housekeeping Entrepreneur*” impressed the judges with its originality, clarity, and professional insight. The recognition highlights her talent and dedication to exploring the entrepreneurial spirit within the hospitality industry.

The college congratulates Ms. Prathiksha on her remarkable achievement and wishes her continued success in her academic and professional journey.

PARENT-TEACHER MEETING

On October 9, the college successfully conducted a **Parent-Teacher Meeting (PTM)**, creating a valuable platform for meaningful interaction between parents and faculty members. The session facilitated discussions on students' academic progress, strengths, and areas for improvement.

Parents and teachers shared constructive feedback and collaborated on strategies to support the holistic development of students. The meeting concluded with a shared commitment to fostering continuous growth, ensuring each student reaches their full potential.

INDUSTRIAL VISIT TO OOTY: A BLEND OF SCIENCE, NATURE, AND CULTURE

From October 8th to 10th, students from the Department of Life Sciences and Biotechnology embarked on an enriching industrial visit to Ooty and Coonoor, designed to bridge classroom learning with real-world applications.

The visit began at the **Pasteur Institute of India, Coonoor**, where students gained firsthand insight into vaccine production, public health initiatives, and the legacy of biomedical research in India. Engaging interactions with scientists and technicians offered a deeper understanding of the institute's pivotal role in immunization and disease prevention.

Next, the group explored the **Botanical Garden in Ooty**, a living repository of rare and indigenous plant species. The garden served as a natural classroom,

allowing students to observe biodiversity, ecological balance, and conservation efforts in action. To round off the experience, students visited a **local chocolate factory** and a **tea factory**, where they witnessed the transformation of raw materials into popular consumer products and the role of the biotechnologists in making those raw materials into a safe and healthy edible product before it comes to the market for human consumption. These visits highlighted the intersection of biotechnology with food science, quality control, and sustainable practices.

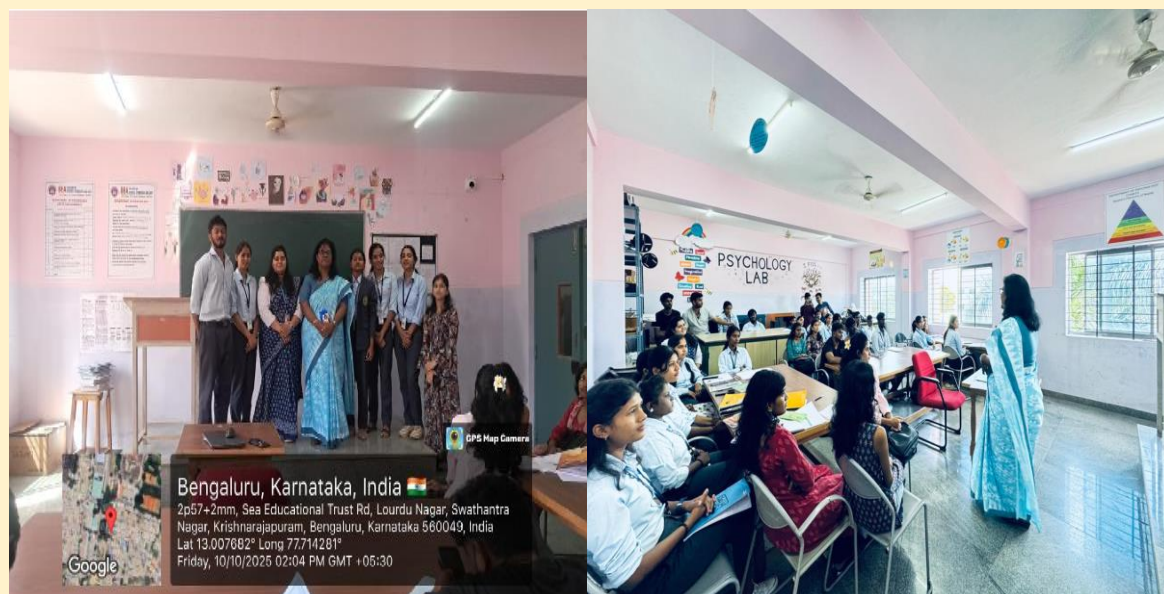

The trip was not only academically stimulating but also culturally refreshing, offering students a chance to bond, reflect, and appreciate the broader impact of their field. It reaffirmed the department's commitment to experiential learning and holistic development.

WORLD MENTAL HEALTH DAY- WORKSHOP ON JOURNALLING TECHNIQUES

The Department of Psychology organized an inspiring workshop on Journaling Techniques to mark World Mental Health Day 2025 that was observed on **October 10, 2025**. Spearheaded by Assistant Professor, Ms. E. Beryl, the session explored the creative and therapeutic potential of writing, emphasizing

its role in self-expression and mental clarity. Participants were actively engaged in a hands-on journaling activity, allowing them to personally experience the benefits of expressive writing. Student feedback, shared by Mr. Naveen and Ms. Priyanka, highlighted the workshop's effectiveness in boosting confidence and motivation for future academic and creative writing pursuits. The program successfully enhanced understanding of the connection between mental health and journaling, encouraging students to adopt it as a practical tool for emotional regulation and stress management. Expert insights and motivational speeches fostered a supportive environment, promoting open discussions and helping to reduce the stigma associated with mental health. Overall, the workshop left a lasting impact, equipping participants with valuable knowledge and empowering them to prioritize psychological well-being through ongoing self-care practices.

ORIENTATION ON “QA TESTING – TRAINING & PLACEMENT”

On 10th October 2025, the Career Guidance and Placement Cell of S.E.A College of Science, Commerce, and Arts, in collaboration with Anudip Foundation and supported by OpenText, organized an orientation program on

“QA Testing – Training & Placement” for MCA students. The session, which was led by Mr. Waseem, Centre Manager, and Mrs. Rajlakshmi, Placement Head of Anudip Foundation. The speakers provided insights into the scope of QA Testing, training opportunities, and placement avenues in the IT sector. They provided an in-depth overview of Quality Assurance (QA) Testing, highlighting its growing demand in the IT industry, training opportunities, and placement prospects. The speakers emphasized the importance of developing technical skills, analytical thinking, and attention to detail for aspiring professionals in the field of software testing. The program, supported by OpenText, served as a valuable platform for students to understand career pathways in QA Testing and the role of professional training in securing employment opportunities.

GUEST LECTURE ON SYSTEMATIC LITERATURE REVIEW AND USING MENDELEY

On October 13th, 2025, the Research Cell, in association with the MBA department, organized a highly informative guest lecture on “**How to Conduct Systematic Literature Review and get Automated Citation Reference with Mendeley Software.**” The event, held in online mode, had **Dr. C. Nagadeepa**

and **Ms. Ankita Priti Roy** from **Kristu Jayanti University's** Department of Commerce spearheading the intense session on research.

Dr. Nagadeepa opened the session by laying a strong foundation in academic inquiry, detailing the objectives and significance of literature review, as well as the various sources of scholarly literature. Her insightful explanations provided clarity on the essentials of systematic research, setting the stage for deeper exploration. Ms. Ankita Priti Roy followed by delivering an engaging presentation on Mendeley software, demonstrating its powerful applications for organizing research material and automating citation management. She guided participants on supporting systematic review processes and improving research topic comprehension using Mendeley's features. The lecture offered participants practical knowledge to streamline their research workflow and highlighted the importance of technology in academic writing. The event was well-received, empowering attendees with useful tools and strategies to enhance the quality and efficiency of research.

INTERNATIONAL DAY OF RURAL WOMEN & NATIONAL WOMEN FARMERS DAY

On **15th October 2025**, the Women Empowerment Cell and IQAC of S.E.A College of Science, Commerce, and Arts organized a painting competition to commemorate the *International Day of Rural Women* and *National Women Farmers Day*. Centered around the theme **“Women Farmers: The Backbone of Rural Economy,”** the event encouraged students to reflect on the immense contributions of women in agriculture and rural sustainability.

Participants creatively expressed their thoughts through vibrant artworks that celebrated the resilience, strength, and dedication of women farmers. The paintings beautifully depicted rural women as silent warriors who not only nurture the fields but also uphold the rural economy with unwavering perseverance.

The competition fostered a deeper understanding among students about the significance of empowering rural women and acknowledging their essential role in nation-building. The event proved to be both inspiring and enlightening, successfully promoting awareness and appreciation for the invaluable contributions of women in agriculture.

CELEBRATING INNOVATION: POSTER PRESENTATION ON INNOVATION AND INDIA 2040

The Institution's Innovation Council (IIC) of S.E.A. College of Science, Commerce, and Arts marked Innovation Day with a vibrant Poster Presentation Competition on **October 15, 2025**. The event brought together students from diverse disciplines to creatively explore the theme "Innovation and India 2040." The competition witnessed enthusiastic participation, with students presenting thought-provoking ideas that envisioned a future shaped by technological advancement, sustainable development, and inclusive growth. Each poster reflected a unique perspective, blending imagination with insight to highlight the role of innovation in shaping the nation's trajectory. We extend heartfelt appreciation to IIC members for their dedicated efforts. Events like these continue to foster a culture of creativity, collaboration, and forward-

thinking among students—empowering them to become changemakers in tomorrow's India.

INTRA COLLEGE SPORTS SHOWDOWN & UNIVERSITY TEAM SELECTION

The Sports Club of our college proudly hosted the Intra College Competition and University Team Selection from October 16 to 31, 2025, under the guidance of Mr. Amar Narayana and Mr. Javeed Pasha of the Sports Club of the college. Student-athletes passionately competed across volleyball, shuttle badminton, and cricket, showcasing exemplary skill, teamwork, and competitive spirit. The spirited matches brought together the best of sportsmanship and camaraderie, igniting enthusiasm throughout the campus. The selection process identified top performers who will represent the college at the upcoming university competitions. Each game reflected a pursuit of excellence and determination to succeed. The event reinforced the college's

commitment to nurturing athletic talent and unity. Congratulations to all participants and the newly selected university teams.

S.E.A. SHINES AT GARDENIA 2025

The Department of Science at S.E.A. College of Science, Commerce, and Arts proudly celebrated a day of triumph and talent at Gardenia, the intercollegiate fest hosted by **Garden City College on October 16, 2025**. Our students showcased exceptional creativity, intellect, and teamwork across multiple competitions, bringing home a cascade of accolades.

The spotlight shone brightly on our CBL 1st year students, who secured First Prize in both **Snackvertise and Genomania**—a testament to their innovative thinking and collaborative spirit. Their outstanding performance earned them the prestigious **Event Cup** along with a cash prize of **₹5,000**, marking a proud moment for the college.

Further victories included:

1. Tarun (Forensic Science), Dhruva and Mahathi (Biotechnology) **Genetic Quest – I Prize**

2. Revathi and Krishnendu (Psychology) **Waves of Mind – First Prize**

Congratulations to all the winners for their remarkable achievements and spirited participation. Your success reflects the vibrant academic culture of S.E.A. College and continues to inspire excellence across disciplines.

ESSAY COMPETITION ON CHEMICAL VS NATURALS

The Department of Chemistry hosted an engaging essay competition on **“Chemical vs Naturals” on October 17, 2025**. The event invited students to reflect on the role of synthetic and natural substances in our daily lives, from medicines and cosmetics to food and cleaning agents.

Participants brought diverse perspectives, weighing scientific innovation against traditional wisdom, and exploring the ethical, environmental, and health implications of both approaches. The competition not only showcased students’ analytical and writing skills but also encouraged critical thinking about sustainability and consumer awareness. The event created a space for dialogue that bridged chemistry with real-world concerns. Faculty members

applauded the originality and depth of the essays, noting how such platforms nurture informed, responsible citizens.

DEBATE AND POSTER PRESENTATION COMPETITIONS

On October 17, 2023, the Department of Computer Application, in collaboration with the Science Club, hosted a dynamic Poster Presentation and Debate on the topic “**Merits and Demerits of Internet.**” The event drew enthusiastic participation from students eager to explore the double-edged nature of our digital world.

Participants presented thought-provoking posters and engaged in spirited debate, examining how the internet empowers learning, connection, and innovation and they also raised concerns around misinformation, privacy, and dependency. The session highlighted the importance of digital literacy and ethical engagement in an increasingly online society.

Faculty members commended the students’ creativity, research, and articulation, noting how such events foster critical thinking and collaborative learning. As technology continues to shape our lives, the event served as a

timely reminder: the internet is a powerful tool, but its impact depends on how we choose to use it.

2025 MATHS TALK : “USAGE OF MATHS IN DAILY LIFE AND FUN WITH MATHS”

On October 18, 2025, the Department of Mathematics hosted the **2025 Maths Talk**, featuring Assistant Professor Sahana C. The session, invited students to explore the beauty and relevance of mathematics in everyday life. Professor Sahana’s engaging talk highlighted how mathematical concepts shape technology, nature, and logical reasoning. Students responded with curiosity and enthusiasm, appreciating the clarity and depth of the presentation. The event fostered a renewed interest in analytical thinking and problem-solving.

Faculty members praised the initiative for making mathematics more accessible and inspiring.

JOURNALISM STUDENTS VISITED 98.3 FM RADIO STATION

On October 18, 2025, students from the Department of Journalism embarked on an enriching visit to **98.3 FM Radio Station, Bangalore**. Welcomed by popular radio jockey RJ Guru, the students were given a behind-the-scenes tour of the studio and a hands-on introduction to the world of radio broadcasting. RJ Guru shared insights into program planning, live broadcasting, and audio editing, emphasizing the importance of creativity and teamwork in engaging listeners. Students actively interacted, asking questions about the technical and creative aspects of radio production. They also had the chance to observe live equipment and step into the RJ's shoes—making the experience both memorable and inspiring. The visit offered valuable exposure to the workings

of a professional radio station and sparked interest in careers within mass communication and media.

ORIENTATION ON IIC 8.0 CALENDAR OF ACTIVITIES & R&D CELL ROLES FOR AY 2025-26

An online orientation session, led by AICTE Chairman Prof. T G Sitharam on October 22, 2025, introduced the Institution Innovation Council's (IIC 8.0) calendar and set strategic goals for institutional R&D engagement in AY 2025-26. The session underscored the need for embedding innovation as a core culture, fostering collaboration, and actively engaging students, faculty, industry partners, and other stakeholders. Institutions are expected to align their calendars with national timelines, implement MIC-driven and R&D activities, and ensure regular monitoring and documentation. For our institution, key recommendations include convening leadership meetings, appointing innovation coordinators, setting clear targets, and organizing regular ideation, mentorship, and industry collaboration events. Awareness and visibility of IIC activities should be promoted through all available channels, while systematic record-keeping will support effective reporting and accreditation. The R&D

Cell and IIC Cell must work collaboratively and proactively to deliver measurable innovation outcomes. With these steps, our institution is well poised to contribute to the national innovation agenda and empower students and faculty for impactful research and societal transformation.

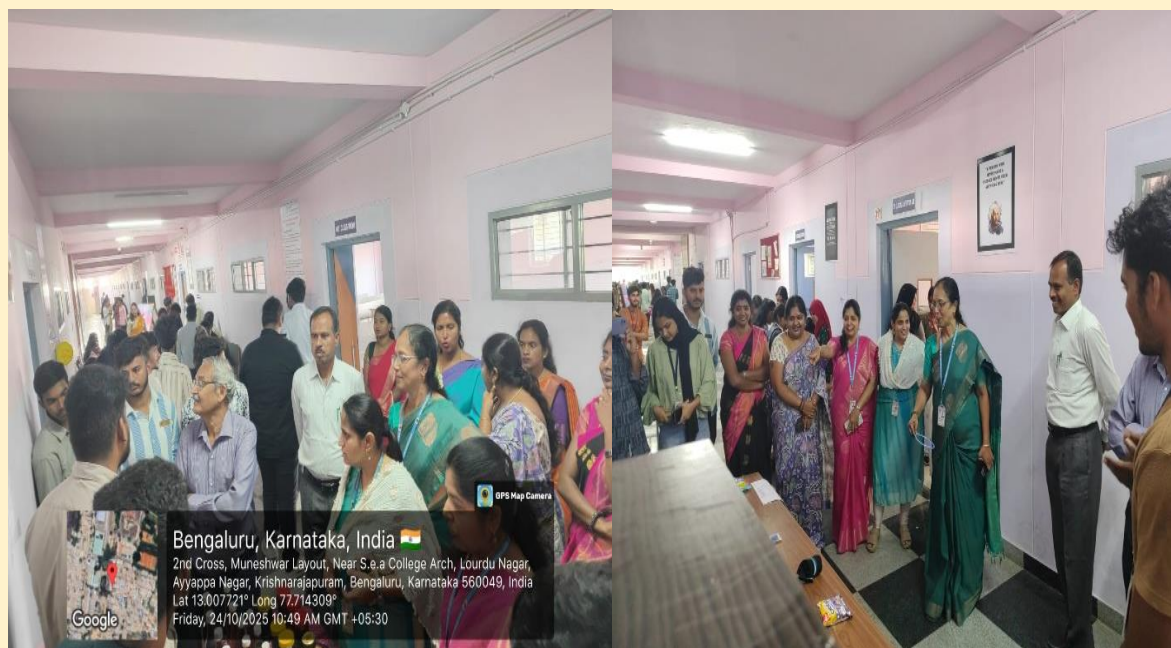

S.E.A BAZAAR: ENTREPRENEURSHIP COMES ALIVE ON CAMPUS

On October 24, 2025, the corridors of S.E.A. College of Science, Commerce and Arts (Autonomous) came alive with entrepreneurial energy during the **S.E.A Bazaar – Shops at Your Door Steps**. Organized by the **Entrepreneurship Development Cell** in association with **IIC**, the event transformed the 2nd, 3rd, and 4th floor corridors of the Degree Block into a bustling marketplace.

Students showcased a variety of products such as accessories, food items, and creative crafts. The corridors buzzed with energy as students took on the roles of innovators, marketers, and business owners, managing their stalls with enthusiasm and professionalism. The stalls catered to different tastes and

interests: enchanting handmade jewellery with beads and charms customised on the spot for the buyers, on the spot paintings with intricate artistry, eye-catching mehendi designs and yummylicious food served hot or cold on demand were the highlight of the event. The customers were also attracted to the book stall and the games to have fun while shopping. The event offered a hands-on learning experience, blending creativity with commerce. Faculty members praised the initiative for fostering innovation, teamwork, and self-startup ambition among students. The S.E.A Bazaar was more than a pop-up market: it was a celebration of ideas, initiative, and the entrepreneurial spirit thriving on campus.

GUEST LECTURE ON “ENTREPRENEURSHIP AND INNOVATION AS CAREER OPPORTUNITIES”

On October 27, 2025, the Institution’s Innovation Council, in association with the Entrepreneurship Development Cell, organized a session titled *“Entrepreneurship and Innovation as Career Opportunities”* at S.E.A. Degree College. The guest speaker, **Dr. S. Chandrashekar, President of the Artisans**

and Handlooms Development Corporation, shared valuable insights into the role of innovation in shaping modern careers. He emphasized the importance of creativity, adaptability, and local enterprise in building sustainable ventures. Students actively engaged with questions on startup strategies, market trends, and the challenges of entrepreneurship. The session highlighted how traditional industries can evolve through innovative thinking. Faculty members appreciated the relevance of the talk in today's dynamic job landscape. The event inspired students to explore entrepreneurial paths with confidence and purpose.

LECTURE ON PSYCHOLOGICAL ABNORMALITIES

On 27th October 2025, the Department of Psychology at S.E.A College of Science, Commerce, and Arts organized an insightful lecture on **“Psychological Abnormalities”** in the Psychology Lab. The session focused on key mental health conditions such as Anxiety Disorder, Dissociative Disorder, and Schizophrenia. The lecture aimed to deepen students' understanding of various psychological disorders, their symptoms, causes, and

therapeutic interventions. It provided a valuable learning experience that bridged theoretical knowledge with real-world clinical perspectives. Students actively participated in the discussion, gaining a broader awareness of mental health and the importance of early diagnosis and treatment. The session proved to be highly enriching, enhancing students' academic and practical understanding of abnormal psychology while promoting empathy and awareness towards mental health issues.

OBSERVANCE OF NATIONAL CYBER SECURITY AWARENESS MONTH (NCSAM) - QUIZ ON CYBER SECURITY

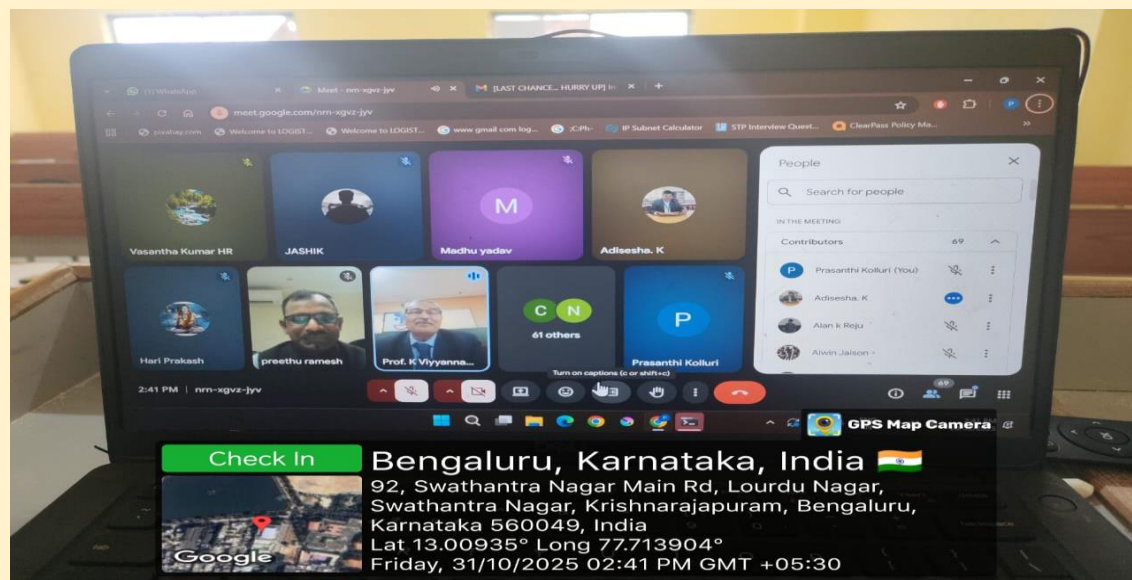

The Department of Computer Science, in association with the Institution's Innovation Council (IIC), organized a **Quiz Competition on “Cyber Security”** for students on **October 30, 2025**. The event aimed to enhance students' awareness about cybersecurity and its growing importance. Students from various departments actively participated, showcasing their knowledge on topics such as data protection, network security, and digital privacy. The multi-round competition tested both theoretical understanding and practical

application of cybersecurity principles. Participants displayed impressive skills and enthusiasm throughout. The event highlighted the significance of staying informed about digital threats in today's world.

WEBINAR ON “CYBER SECURITY”

The Department of Computer Science & Applications at S.E.A. College hosted a webinar on **Cyber Security** on **31st October 2025**. The session featured Prof. K. Vivyanna Rao, Honorary Director of SEA Group of Institutions, as Chief Guest. Key insights were shared by Dr. Nagaraju Kilari, Professor & HOD at New Horizon College, Bengaluru, and Mr. Haranadha Reddy Busireddy, Manager - Architecture at Value Momentum Inc., USA. Dr. Muthe Gowda T N, Principal, presided over the event. Held online, the webinar drew enthusiastic participation from students and faculty. Discussions focused on emerging cyber threats and global best practices, bridging academic and industry perspectives.

GOVERNING BODY MEETING

The first Governing Body meeting for the Academic Year 2025-2026 was held on October 31, 2025. The Body reviewed and approved key Academic and Administrative items, including the previous Academic Council minutes, introduction of new programmes and course combinations, institutional development plan and budget proposals. Necessary suggestions and recommendations were offered by the members, with emphasis on innovation and compliance with regulatory guidelines. The Governing Body concluded the meeting with a strong commitment to institutional growth and academic

excellence for the upcoming year. The Meeting was attended by Prof. D. Kumuda, Professor and Director, Department of Economics as University representative. Management Members, Honorary Director and Principal attended the meeting.

PLANTATION DRIVE: HERBAL GARDEN PLANTED

The Department of Science successfully organized a plantation program for the **Herbal Garden on October 31, 2025**, offering students an experiential exploration of phytomedicine and ethnobotany. The herbal garden featured indigenous species, such as *ocimum sanctum* (tulsi), *bacopa monnieri* (brahmi), *rosmarinus officinalis* (rosemary), and *azadirachta indica* (neem), each accompanied by scientific insights on their pharmacological significance and therapeutic roles in ayurveda and siddha. Dedicated zones enabled the study of bioactive compounds, traditional medicinal uses, and conservation strategies. This initiative fostered scientific curiosity and promoted integrative knowledge in medicinal plant research. Overall, the program strengthened students' appreciation for nature-inspired pharmacology and holistic wellness.

TRAILBLAZERS

1. . Assistant Professor **K. Krishna Veni** has published a research paper titled “Toward Equitable AI Deployment: Overcoming Barriers to Breast Cancer Diagnosis in Rural and Underserved Communities” in the **International Journal of Innovative Science and Research Technology (IJISRT)**, Volume 10, Issue 8, August 2025 which was published on September 06, 2025. The paper explores the challenges and strategies for implementing AI-based diagnostic systems in low-resource healthcare settings to enhance early breast cancer detection. **ISSN: 2456-2165.**
2. **Asst. Professor Megha H.R.**’s paper, titled “An Analysis of Cybercrime Statistics in Karnataka,” has been published in the International Journal of Scientific Research and Engineering Development (IJSRED), **Volume 8, Issue 5, September–October 2025** with ISSN: 2581-7175.
3. **Asst. Professor K. Krishna Veni** has published a research paper titled “Toward Equitable AI Deployment: Overcoming Barriers to Breast Cancer Diagnosis in Rural and Underserved Communities” in the International Journal of Innovative Science and Research Technology (IJISRT), Volume 10, Issue 8, August 2025 which was published on September 06, 2025 with ISSN: 2456-2165.
4. **Asst. Professor Megha H.R.**’s paper, titled “An Analysis of Cybercrime Statistics in Karnataka,” has been published in the International Journal of Scientific Research and Engineering Development (IJSRED), **Volume 8, Issue 5, September–October 2025** with ISSN: 2581-7175.

PARTICIPATION IN CONFERENCES, SEMINARS FACULTY DEVELOPMENT PROGRAMS

1.	Dr. Nethra H S Head of the Department of Sciences and the CoE of S.E.A college of Science, Commerce and Arts participated a seven-day National Online Faculty Development Programme on “AI Tools for Research” from 3rd to 11th October 2023, organized by Kristu Jayanti College (Deemed to be University), Bengaluru.
2.	Dr. Raga Jyothi, Assistant Professor in the post graduate department of commerce and management, Participated in A six-day Online Faculty Development Programme titled “Exploring Indian Knowledge Systems through Creating Copyrightable Educational Resources from Traditional Wisdom.” organized by St. Francis College, Bengaluru from 24th to 30th July 2025. A nine-day online national-level professional development programme. titled “Empowering Educators and Students with AI,” organized by the Department of Computer Science – Shift II, Patrician College of Arts and Science, Chennai from 6th to 16th October 202
3.	Dr. Rekha Mehta Assistant Professor from The Post Graduate Department Of Commerce And Management participated in A one-week Faculty Development Program on “Advances in Augmented & Virtual Reality and Blockchain Technologies.” organized by the Department of Computer Science & Engineering (IoT & Cyber Security including Blockchain Technology) and the Department of Information Technology of Vishwakarma Institute of Technology, Pune. from 29th September to 4th October. A “7 Days FDP on The Gen Z Effect: Innovation, Impact and the Future of Industry.” organized by Star International Foundation for Research and Education from October 2 to October 8, 2025.
4.	Dr. K Adishesha participated in A five days Faculty Development Program on Cyber Security, held from 13th to 17th October 2025. The event was conducted by Saraswati College of Engineering, Kharghar, and Jawaharlal Nehru New College of Engineering, Shivamogga, in collaboration with ExcelR Edtech Pvt. Ltd A 7 Days FDP on The Gen Z Effect: Innovation, Impact and the Future of Industry.” The program was organized by Star International Foundation for Research and Education from October 2 to October 8, 2025. A five-day Faculty Development Program organized by AICTE Training and Learning (ATAL) Academy held from 6th to 11th November 2025 at Dr. D. Y. Patil Institute of Technology, the FDP focused on “AI-Powered Healthcare: Emerging Technologies and Innovations in Med-Tech.” The AICTE ATAL Faculty Development Program on "Next Generation Semiconductor Technologies: Design, Materials and Applications." held at

	Vimal Jyothi Engineering College, Chemperi, Kannur, Kerala from October 27 to November 1, 2025.
	Avocational guidance session with Skilldunia as a part of an official internship partnership with E-Cell, IIT Hyderabad and IPA, Pune. This event took place on October 23, 2025.
	Virtually chaired a session at the National Conference 2025 on "Artificial Intelligence – Impact & Interventions on Business & Society," organized by Aditya Institute of Management Studies & Research on October 17, 2025.
5.	Ms. Girija K S, Assistant Professor from the post graduate department of Commerce and Management, participated in a seven-day Faculty Development Program, titled “The Gen Z Effect: Innovation, Impact and the Future of Industry,” organized by Star International Foundation for Research and Education 2nd to 8th October 2025.
6.	Ms. Sindhu N., Assistant Professor from the post graduate department of Commerce and Management, participated in
	A seven-day Faculty Development Program titled “The Gen Z Effect: Innovation, Impact and the Future of Industry,” organized by Star International Foundation for Research and Education from 2nd to 8th October 2025.
	A five-day Faculty Development Program on “GEN AI – RAG (Retrieval-Augmented Generation).” organized by Chaitanya Bharathi Institute of Technology and MVSR Engineering College (Autonomous), Hyderabad from 8th to 12th September 2025, the FDP was conducted in collaboration with ExcelR Edtech Pvt. Ltd.

RESEARCH PAPER PRESENTATIONS

1.	Ms. M. Ramya, Assistant Professor in the Department of Computer Science, S.E.A College of Science, Commerce & Arts, presented a paper titled “Ethical, Legal and Social Implications of AI.” in the 2nd International Conference on Computational Sciences and Applied Mathematics (ICCSAM – 2025). organized by the School of Computing & Department of Mathematics, VET Institute of Arts and Science (Co-education) College, in association with Asia Pacific University, Malaysia, on 12th September 2025.
2.	Ms. Malini S., Assistant Professor in the Department of Computer Science, , presented a paper titled “E-Commerce Fraud Detection Based on Machine Learning.” In the 2nd International Conference on Computational Sciences and Applied Mathematics (ICCSAM – 2025) organized by the School of Computing & Department of Mathematics, VET Institute of Arts and Science (Co-education) College, in association with Asia Pacific University, Malaysia, on 12th September 2025.
3.	Ms. P Santhi Theja, Head of the Department of BCA, presented a paper titled “AI in Healthcare.” In the 2nd International Conference on Computational Sciences and Applied Mathematics (ICCSAM – 2024) organized by the School of Computing & Department of Mathematics, VET Institute of Arts

	and Science (Co-education) College, in association with Asia Pacific University, Malaysia, on 12th September 2025.
4.	Mr. Narasimha B M Assistant Professor in the Department of MSW, presented a research paper titled “A Study on the Impact of Family-Centered Service on Children with Autism Spectrum Disorder.” at the National Conference on “Fostering Family Resilience: From Prevention to Empowerment.” organized by the Department of Social Work, Kristu Jayanti College (Deemed to be University), Bengaluru, on 24th and 25th October 2023.
5.	Asst Professor Shyamsundar N from the Department of Social Work presented a research paper titled “Building Resilient Families through Strength-Based Social Work Intervention.” at the National Conference on Fostering Family Resilience: From Prevention to Empowerment, organized by the Department of Social Work, Kristu Jayanti (Deemed to be University), on the 27th and 28th of October, 2025
