FOUNDER'S WORD

Sri A. Krishnappa

Founder, SEA Educational Trust (S.E.A.E.T)

Ex-Minister, Government Of Karnataka

We believe that education is the foundation of all transformation and progress. In alignment with this belief, we ventured into the field of education in 2000 through the South East Asian Education Trust (S.E.A.E.T), formed with the sincere hope of providing educational opportunities to underserved and unserved segments of society across diverse disciplines.

Over the years, our institution has grown, introducing programs in Science, Commerce, and Arts in 2002, and Nursing in 2003. In 2007, we expanded further to include a Law College, Schools of Education, and Engineering & Technology, equipped with world-class infrastructure. The management is deeply committed to upholding traditional Indian values while seamlessly integrating the traditional with the modern. Our institution is dedicated not only to enhancing students' self-esteem but also to instilling respect for others. The teaching-learning approach is based on the principles of "Do, Feel, Learn, Reflect, and Be." Students engage in learning through exploration, experimentation, critical analysis, and proposing innovative solutions. Field trips, educational tours, and visits to historical and cultural sites further enrich their educational journey. Our primary goal is to expose students to diverse opportunities that elevate their aspirations. By engaging them in real-life experiences, we strive to instil a resilient willpower, preparing them to face life's challenges confidently.

Recognizing that intellectual growth alone is not sufficient, our institution places a strong emphasis on refining the spirit, embodying the concept of "Atma Samskriti." This focuses on cultivating values that bring grace and depth to life. Our institution is designed to empower students, guiding them to realize their full potential. We aspire for our students to internalize enduring values that will serve as a steadfast anchor throughout their lives. Equipped with strong character and ideals, our students are prepared to navigate life's journey with confidence, inspired by our motto, "Empower Through Education."

ABOUT THE SEA TRUST

The South East Asian Education Trust (S.E.A.E.T), registered under the Indian Trust Act 1960 was established in the year 2000, with the objective of providing academic excellence to all sections of society. The trust focuses on imparting quality education, disciplined integrated personality development, research, management skills to tackle global challenges.

The campus at South East Asian Education trust with its extensively landscaped gardens is widely acknowledged as one of the most beautiful in Bengaluru, harmoniously combining buildings and open spaces. S.E.A.E.T prides itself on its world-class facilities intermingled with the heritage-protected buildings and state-of-the art teaching and research facilities, including lecture halls and performance theatres, tutorial space, studios, and laboratories. S.E.A.E.T has computer laboratories throughout the campus, carrying the latest and subject specific software and hard ware in general.

GREETINGS FROM CHAIRPERSON

The primary focus of S.E.A College is to continuously fine-tune our education delivery systems and internal processes in accordance with the needs and challenges of the contemporary world. Apart from active involvement in academic and extracurricular pursuits, we believe in building competencies necessary for success in the world. We also make conscious efforts to improve the sensitivity of our students to different ethos, value systems, and cultural milieu which they may experience during their careers. The aim is to make our students autonomous and socially responsible human beings. I am confident that those who choose to be a part of us as students will find the experience enriching and exciting.

I wish you all a successful and fulfilling academic year. Let us explore, enlighten and go in pursuit of our aspirations.

With regards
Mrs. Manjula A. Krishnappa
Chairman, S.E.A.E.T.

SECRETARY

The College remains acutely aware of globalization's impact on Indian education and is committed to addressing the country's need for youth skilled in advanced science and technology who can leverage these fields to create exceptional products and services. We aim to develop graduates capable of translating needs into practical, high-impact solutions. Our track record in both pass rates and student placements speaks to our success, and we continuously refine our teaching and learning processes to ensure they are modern, relevant, and forward-looking. Today's graduates need versatile problem-solving skills that transcend their specific fields, understanding that their roles contribute to a larger corporate mission of value creation. By fostering this perspective, our students become highly employable and well-prepared for global industry standards.

At the heart of this educational journey is the student's responsibility for learning. No matter how excellent the teachers, resources, and environment may be, a student's effort is crucial to achieving meaningful education. Mastery of foundational concepts and principles becomes the bedrock upon which lifelong learning is built, equipping students to stay current with technological advances through hands-on experience and continual learning. At S.E.A.E.T, this philosophy guides us. While we provide top-tier infrastructure, resources, libraries, and laboratories, we emphasize the development of original thought and self-directed learning skills. Much of our success can be attributed to this approach.

Additionally, we believe that exceptional education requires exceptional faculty. Our rigorous faculty recruitment process, led by renowned academicians, ensures that S.E.A.E.T offers an educational experience that is both enriching and transformative. S.E.A.E.T proudly stands as a pillar of society, championing academic excellence, fostering creativity, and cultivating a vibrant learning environment.

With regards,
Mr. D.T Srinivasa
Secretary, S.E.A.E.T
MLC South East Teacher's Constituency
Bengaluru, Karnataka

TREASURER AND JOINT SECRETARY

As we embark on a new academic year, I want to express our unwavering commitment to providing a learning environment that not only imparts knowledge but also instills values, encourages innovation and fosters a sense of community. The S.E.A group provides a friendly learning environment that encourages close connections among the students, fostering a strong and enduring social network. The College atmosphere is designed to support students' learning goals and contribute to their overall professional development.

Our aim this year is to improve faculty expertise, improve infrastructure, and refine processes to meet the group's pursuit of excellence. I welcome you all to make use of the faculty, facilities, extra-curricular activities, and value added courses provided to you to enrich your College experience and realize your full potential.

Challenge yourself, support your peers and make the most of the resources available to you. I wish you all a successful and fulfilling academic year.

With regards

MRS. ANUPAMA

Treasurer & Jt. Secretary , S.E.A.E.T.

CHIEF EXECUTIVE OFFICER

At S.E.A.E.T, our vision is centered on delivering high quality education, and unveiling the latent skills and abilities of the students through structured guidance. We are steadfast in our commitment to provide education that holds significance, conducting impactful research and provide training across all levels to match global standards.

Our policy is to mould the students by building confidence in them by imbibing qualities like discipline, dedication and determination. We have assembled a team of experienced, highly qualified, motivated and dedicated staff. Supported by excellent infrastructural facilities, this team strives to create an ideal learning environment in our College.

As you embark on your educational journey with us, i extend my best wishes for you success in all your future endeavors.

With regards
Mrs. Poornima K Srinivas,
C.E.O, S.E.A.E.T
Ex-MLA Hiriya Constituency

HONORARY DIRECTOR

I am extremely glad to note that the S. E. A College Of Science, Commerce & Arts is bringing out its annual publication of “**Student Handbook**” for the current academic year 2024-25. Truly, these documents serve as the gateway of information about the institution. Sharing information with the students as the primary stakeholder is crucial as gesture of respecting transparency. This small booklet contains information about the structure of the courses, eligibilities, rules and regulations scholarships, awards, and medals. In the context of changing times, it also becomes necessary to incorporate some essential information relating to ragging, sexual harassment, aspects that have been duly addressed in the handbook. I am also happy to note that the present handbook has the special focus on the implementation of State Education Policy 2024.

I am confident that this concise handbook would be received with appreciation by the students. Their suggestions for improvement in future editions will be valued and I earnestly hope that the College would act up on them.

With regards,
PROF. K. VIYYANNA RAO
Honorary Director S.E.A.E.T
Former Vice-Chancellor
Acharya Nagarjuna University, A.P

PRINCIPAL

It is my pleasure to invite you to explore the heart of SEA College Of Science, Commerce, and Arts College where substance meets style, and over two and a half decades of excellence speak volumes. Through remarkable milestones and a reputation for quality, sea has become a preferred destination for aspiring students.

SEA College offers a balanced blend of strong academic achievements alongside a vibrant co-curricular program, encompassing sports, cultural activities, and leadership training. Our mission is to ignite a lifelong passion for learning in our students, nurturing the skills and mind sets essential for becoming responsible global citizens. We aim to equip them with resilience and optimism, while fostering values like respect and trust that form the bedrock of true success.

At SEA, we believe that education is a holistic journey. We are committed to redefining its meaning by creating a united SEA family—a diverse, culturally rich community where every student finds a sense of belonging and support. We warmly welcome you on this journey, and look forward to having you as part of our sea family.

With regards

Dr. MUTHE GOWDA T N

Principal

S.E.A College of Science, Commerce & Arts

RETROSPECT- MAJOR MILESTONES ACHIEVED

Great legacies begin with small acts of purpose. As S.E.A College of Science, Commerce and Arts celebrates its Silver Jubilee, we look back at a remarkable journey that began in the year 2000 — driven by the unwavering resolve of Late Sri A. Krishnappa, a revered leader, former Minister of Animal Husbandry, and a true advocate for social upliftment. With a dream to provide quality education to the underprivileged, he sowed the seeds of an institution that would go on to inspire generations. With just a handful of students and four courses, the foundation was laid — not just for a College, but for a movement.

From its modest start, the College has grown into a thriving academic powerhouse. With more than 2000 students and 31 diverse programs of study, it reflects a story of grit, growth, and relentless ambition. The global footprint began to take shape in 2008 with the arrival of international students — a bold step that positioned S.E.A College on the world map. By 2012, the introduction of postgraduate programs marked a new academic dawn, offering students pathways to deeper, more specialized learning.

Milestones followed swiftly. In 2018, the College earned its **first NAAC accreditation**, validating its pursuit of quality and academic rigor. The next chapter of progress brought sweeping infrastructure upgrades — smart classrooms, cutting-edge laboratories, digital libraries, and a separate building for the PG Centre — laying the foundation for an education ecosystem that blends tradition with technology. S.E.A. College of Science, Commerce & Arts proudly hosted the prestigious ***All India Inter-University Roll Ball Championship for Men and the American Football Championship for Women on 19th and 20th May 2023***. Organized in collaboration with Bengaluru North University's Directorate of Physical Education and Sports and the BNU College Physical Education Directors Association, the event brought together premier institutions from across the country, including universities from Kerala, Tamil Nadu, Punjab, Gujarat, Rajasthan, and more. The campus was vibrant with sporting spirit as young athletes showcased their prowess, unity, and competitive excellence. Hosting this national-level event marked a remarkable achievement for the College, highlighting its growing prominence not just in academics but also in the field of sports and physical education. This milestone underscored the institution's commitment to holistic development and national integration through sports, adding a golden feather to its 25-year legacy.

The **second NAAC cycle in 2024** reaffirmed this excellence, and just a few month later, in January 2025, the UGC conferred the institution with ***Autonomous Status*** — a proud moment etched in golden letters in the College's legacy.

But the soul of S.E.A College isn't confined to lecture halls and labs. It pulses with energy across sprawling sports grounds and courts — where leadership is built, resilience is tested, and character is forged. With a professional cricket ground, football field, indoor and outdoor basketball stadiums, badminton courts, a snooker hall, a shooting range, and a fully-equipped

gym, the campus is a playground for champions in the making. Here, holistic education isn't just a buzzword — it's a lived reality.

At the heart of this transformation stands a leadership that inspires and empowers. Mrs. Manjula A. Krishnappa, Chairperson of S.E.A Educational Trust, upholds her husband's legacy with grace, grit, and a deep sense of responsibility. She is ably supported by a dynamic team — Mr. D.T. Srinivas, Secretary; Mrs. Poornima Srinivas, CEO; Mrs. Anupama K, Joint Secretary and Treasurer; and Miss Vinisha Yadav, Vice President — each bringing vision, drive, and direction to the institution's onward march.

Academic excellence thrives under the guidance of Dr. Viyyanna Rao K, Honorary Director, whose wisdom and stature shape long-term strategy. On the ground, Dr. Muthegowda T.N., our Principal, leads with purpose and passion, ensuring that students receive an education that is relevant, rigorous, and responsive to changing times. Behind every achievement is also the tireless work of our committed faculty, who don't just teach — they ignite curiosity, compassion, and confidence.

PROSPECT

As we celebrate our Silver Jubilee, we don't just look back — we look forward. With pride in our past and faith in our future, S.E.A College stands as a symbol of what education can achieve when powered by vision, values, and a fierce determination to uplift. The journey continues — brighter, bolder, and more beautiful than ever before. From humble beginnings to soaring heights, S.E.A College stands as a living legacy — where every classroom builds character, every corridor echoes dreams, and every milestone celebrates transformation

VISION :

To be a dynamic learning institution providing intellectual, ethical, and technical empowerment of human resources to meet the challenges of the future

MISSION

Create a congenial academic atmosphere, through interactive learning experience; utilizing the best resources available for the young and energetic minds and promote the value and quality-based education for the overall development of the youth of our country.

QUALITY POLICY

Committed to providing state-of-the-art creative learning experience with specific focus on shaping the young minds to be the role models in building new India”

OBJECTIVES

To provide excellent learning environment with Diversity and Inclusion.

To promote a proactive environment for the students in personality development, integration of technology and skill enhancement.

To encourage and nurture a safe and secure environment for women, physically challenged students, minorities and for students of other States and Nationalities.

To provide state of the art creative Learning Experience with specific focus on shaping the young minds to be the role models in building New India.

INFRASTRUCTURE (Learning Resources)

Physical Facilities

➤ Classrooms

The classrooms in our college are well-ventilated, spacious, and equipped with modern teaching facilities. They offer a comfortable and engaging environment that supports effective learning and teaching.

➤ Laboratories

Our college is equipped with state-of-the-art laboratories designed to support the practical learning needs of diverse disciplines. Each laboratory features modern instruments and technologies that offer students valuable hands-on experience. These facilities help students enhance their scientific skills and translate theoretical knowledge into practice.

Library: Libraries play an important role in providing access to information and resources, supporting literacy and education. It also promotes lifelong connectivity toward information and technology. To inculcate the habit of reading and guidance to students and faculties in every sphere of their life the institution has provided two libraries with a total of 16090 books. It includes journals and magazines on various subjects.

➤ Seminar Halls

➤ **Multipurpose Auditorium**

Our college has a well-designed multipurpose auditorium that serves as the hub for cultural programs and events. It provides a vibrant space to showcase students' talents and host various co-curricular activities.

➤ Lawns and greenery

Our college campus features beautifully maintained lawns and abundant greenery, providing a calm and refreshing environment. The green spaces enhance the campus's aesthetic appeal and promote a peaceful atmosphere for learning and relaxation.

Human Recourses- Faculty

Our college has a team of well-qualified, experienced, and dedicated faculty members who are committed to academic excellence and student development. They nurture talent through innovative teaching, research, and mentorship.

CAMPUS LIFE

Clubs: The students of the College are active in organizing various academic, cultural and sports activities by forming themselves into the following clubs:
