ABOUT THE SEA TRUST:

The South East Asian Educational Trust is a leading organization dedicated to educational excellence and societal upliftment. Established in the year 2000 under the visionary leadership of Sri A. Krishnappa. Committed to bridging educational gaps and empowering individuals, the Trust provides education from KG, Primary and Secondary education following State and ICSE curriculum, PUC, Under- Graduate, Nursing, Law, B Ed, ITI, Engineering and Post-Graduate courses along with scholarships, resources, research centers, and community support. These initiatives foster a culture of learning, inclusivity, and sustainable development. The Trust's dedication to these principles continues to drive meaningful and long-term change, reinforcing its role as a pillar of educational and societal advancement.

ABOUT THE INSTITUTION

S.E.A. College of Science, Commerce and Arts was established in the year 2001, by S.E.A. Educational Trust with the noble intention of providing quality education to the community at large. Spread across 38 acres of land, the college provides academic excellence through 18 undergraduate programmes and 13 PG Programmes, with 105 classrooms, 14 labs, 2 libraries with e-books and internet connectivity and a multipurpose auditorium that can accommodate approximately 2000 people and A/C Seminar Hall to conduct various cultural, academic and extra-curricular activities. The College, which was started with 20 plus students in 2001 has grown exponentially and currently caters to about 2500 students, providing education in emerging trends and technologies to facilitate the underprivileged and the need to gain world class education, and enabling them to join the work force in the corporate world. The Institution is affiliated with the Bengaluru North University and follows NEP from the Academic year 2021-22. It takes pride in employing highly qualified teaching staff and many of them now are either Doctorates or M. Phil Degree holders and NET Qualified. The faculty are committed to imbibe moral and ethical values in students with their excellent academic skills and industry experience. Teachers of both genders actively participant in activities pertaining to IQAC, women empowerment cell, anti- ragging cell, Internal Complaints Committee, Grievance Redressal Cell and all other curricular, Co-curricular and Extra Curricular activities. The college is already recognized under 2f of the UGC Act. It made application, of late, for recognition under 12(B) of the UGC Act.

ABOUT THE SEMINAR

The Seminar on Sustainable Development Goals (SDGs) in the Indian Context focuses on India's progress and challenges in meeting the UN's 2030 Agenda. Covering key areas like poverty reduction, quality education, clean energy, climate action, and inclusive growth. It will highlight national initiatives such as Swachh Bharat Abhiyan, Jal Jeevan Mission, and Digital India. The seminar aims to bring together experts, scholars, and practitioners to discuss gaps, share best practices, and explore collaborative strategies to accelerate India's journey toward sustainable and inclusive development.

OBJECTIVES OF THE SEMINAR
