### ABOUT COLLEGE

S.E.A. College of Science, Commerce and Arts is anchored in a value-driven organizational culture that encourages students, staff, and faculty to perceive education as a tool for self-expression, unfolding individual potential, and achieving excellence. The campus cultivates a familial atmosphere where members embrace each other's strengths and weaknesses, supporting one another in their journey toward mental resilience and physical agility. The institution promotes a culture of diligence, self-regulation, and self-discipline, fostering a reputation for its members as adept decision-makers in the face of dynamic challenges. Recognizing that success requires commitment without shortcuts, S.E.A. College of Science, Commerce and Arts instils a value system in young minds, guiding them through a transformative journey from basic literacy to a comprehensive education. This evolution involves a shift from reactive to proactive approaches, from follower to initiator, from a competitive mind-set to one of collaboration, and from self-contentment to team contentment. Encouraging a shift from casualness to creativity and from inactivity to competency, the institution creates an environment where individuals strive for excellence in both their professional and personal pursuits

### HOD MEETING

The HOD meeting was held on 2nd February 2026 in the IQAC Room. The meeting commenced with a discussion on academic planning and quality enhancement initiatives for the current academic year.

The Monthly Calendar for February 2026 was reviewed in detail and approved. The NEP Saarathi Activity Calendar was also reviewed and approved for implementation. Further, a review of the value-added courses offered during the current year was conducted, and Heads of Departments were instructed to take necessary steps to strengthen student participation and outcomes.

It was emphasized that students should be motivated to register mandatorily for SWAYAM courses to enhance their knowledge and academic credentials. Faculty members were encouraged to contribute quality research papers to the S.E.A Journal of Multidisciplinary Sector.

The committee also discussed conducting AI-related activities under the AI-Driven MIC initiative. Additionally, the result analysis of the First Semester 2025–26 was reviewed, and necessary measures were suggested to improve academic performance.

### GUEST LECTURE ON THE IMPACT OF AI ON INDIA

The Department of Computer Application invited Mrs. V. Christy, M.E., PhD, Assistant Professor from East Point Engineering College, Bengaluru, for a thought provoking guest lecture on The Impact of AI on India. The session, held on 2 February 2026, invited participants to reflect on how artificial intelligence is reshaping national progress and everyday life. With clarity and depth, the resource person traced AI's influence across education, industry, and governance, highlighting both opportunities and challenges. The lecture resonated with students and faculty, sparking conversations that extended beyond the hour. What made the discourse memorable was its balance of technical insight and visionary outlook, encouraging listeners to see AI not merely as a tool but as a transformative force. The event also reflected the institution's dedication to cultivating awareness of emerging technologies and their societal implications. Attendees departed with renewed curiosity, carrying forward ideas that will enrich their academic and professional journeys. In essence, the lecture became a catalyst for deeper engagement with the future of innovation in India.

### THINK TANK-QUIZ

The Department of Psychology, in association with the Science Club, hosted Think Tank, a quiz that brought a spark of excitement to campus life. Held on 4th February 2026, the event invited students to explore psychological facts in a spirited and engaging format. The quiz quickly became a lively exchange of ideas, with participants showcasing sharp thinking and quick responses that drew applause from the audience. Faculty members guided the proceedings with warmth, creating an atmosphere that was both competitive and welcoming. Each round carried its own thrill, reminding everyone that learning can be as joyful as it is challenging. The event highlighted the college's dedication to nurturing curiosity and encouraging interdisciplinary exploration. By the end, students left not only with answers but with a deeper appreciation for the fascinating world of psychology. Think Tank stood out as a proud moment for the institution, blending scholarship with enthusiasm and leaving the campus community inspired.

### INNOVATEK-INNOVATION COMPETITION

On February 4th, 2026, the Institution's Innovation Council and IQAC together with the Department of Computer Science organized Innovatek, an innovation

competition and hackathon. The event brought together students from across departments to present their technological innovations and solutions addressing real-world problems through hands-on demonstration and competitive assessment. Participating teams showcased diverse projects ranging from campus infrastructure improvements to scalable technological applications, each evaluated on functionality and practical implementation rather than theoretical concepts alone. The hackathon format challenged students to work within strict time constraints, pushing them to refine their prototypes and defend their methodologies under academic scrutiny. The competition provided students valuable exposure to practical challenges beyond conventional classroom learning, encouraging entrepreneurial thinking and collaborative problem-solving. By creating a platform where ideas undergo rigorous testing and evaluation, Innovatek reinforced the institution's role in preparing students for technology-driven professional environments.

### **NSS SPECIAL CAMP**

The NSS unit of S.E.A. Degree College organized a four day special camp at Guttahalli Village, Kaiwara, from 6 to 9 February 2026, bringing together 45

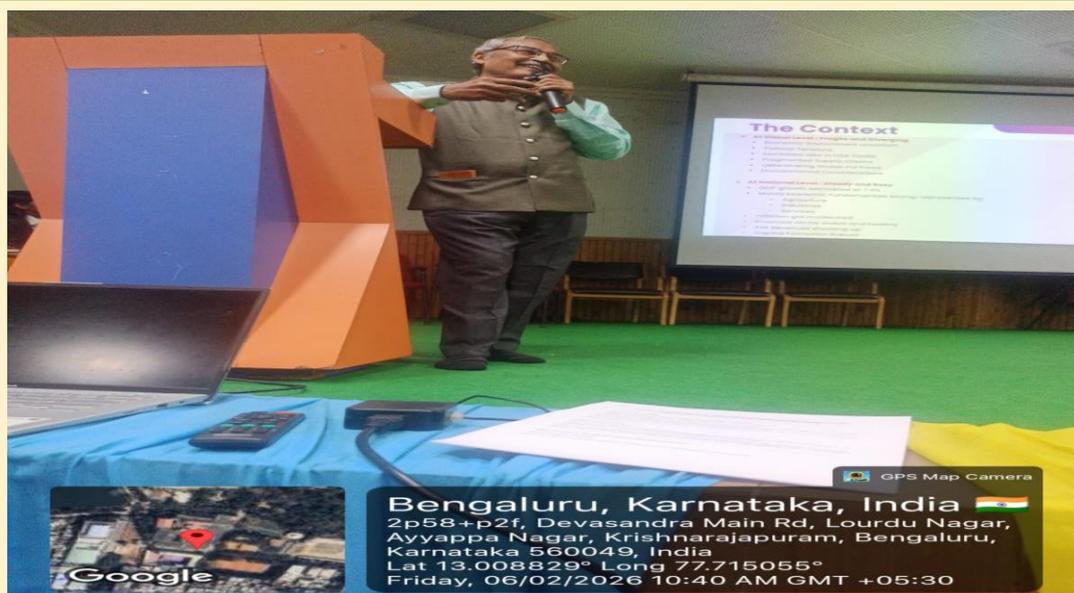

spirited volunteers. The camp was inaugurated by Mrs. Roja, President of the Gram Panchayat, in the presence of local representatives and college coordinators, setting a tone of community partnership. Each morning began with disciplined physical exercise and flag hoisting, instilling unity and vigor among the participants. Volunteers devoted themselves to Shramadan, undertaking cleanliness drives, environmental conservation, and service activities that visibly benefited the village. On the second day, Dr. Gundappa of Bangalore North University delivered an inspiring lecture on the role of youth in nation building, which deeply resonated with the audience. The third day featured a thought provoking address by Ms. Megha H.R., who emphasized the intersection of technology and social responsibility. Cultural programmes each evening added vibrancy, showcasing the talents and creativity of the volunteers. The valedictory function on the final day celebrated the achievements of the camp and acknowledged the dedication of the students. The dignitaries praised the volunteers for their discipline, cooperation, and commitment to social service. In its entirety, the camp became a living classroom where ideals of responsibility, leadership, and national integrity were practiced and cherished.

### SEMINAR ON CENTRAL BUDGET 2026-2027

The MBA Department of the college organized a seminar on February 6, 2026 the Central Budget 2026–27 that drew an attentive audience on 6th February. The session opened with a clear overview of the budget’s highlights, setting the tone for a morning of thoughtful discussion. Speakers unpacked key allocations and policy directions, encouraging students to consider how fiscal decisions ripple into everyday life. The seminar hall carried an atmosphere of curiosity as participants engaged with questions that connected theory to practice. Faculty members emphasized the importance of understanding the budget as both an academic subject and a civic responsibility. Students responded with enthusiasm, linking classroom concepts to the realities of governance and economic planning. The dialogue was lively, with insights exchanged across disciplines, making the seminar more than a lecture. It became a shared exploration. By the end, participants left with a sharper awareness of the nation’s financial priorities and their broader implications. The event reflected the department’s commitment to nurturing informed perspectives. It was a session that blended clarity, relevance, and engagement, leaving a lasting impression on all who attended.

### CLEAN YOUR PC

On February 9, 2026, the Department of Computer Science and Applications at S.E.A College of Science, Commerce and Arts organized “PC Cleanup Day.” The initiative brought together BCA students and faculty members to streamline digital workspaces by organizing desktop files, clearing recycle bins, and uninstalling unused applications. This collective effort freed up valuable disk space, making room for essential academic tools and software. The cleanup not only improved system performance but also reduced technical interruptions during classes and lab work. By creating a more efficient digital environment, the program helped students concentrate on their learning without being hindered by computer related issues. The event highlighted the importance of maintaining digital hygiene and demonstrated how small, consistent practices can enhance productivity. It also fostered a sense of responsibility among students toward managing their systems effectively. Overall, “PC Cleanup Day” proved to be a practical and impactful step in supporting a smoother academic experience.

## WORKSHOP ON IP GENERATION AND COMMERCIALISATION

The R&D Cell of the college, in collaboration IIC, IQAC with its IPR initiatives, hosted a guest lecture on February 10, 2025 by Dr. Ashok Naika B. G Asst Professor at M S Ramaiah Institute of Technology, Bengaluru on IP Generation and Commercialisation that opened up the world of Intellectual Property Rights in a practical and engaging way. Participants were introduced to the significance of IPR in safeguarding creativity and innovation, with detailed insights into patents, trademarks, copyrights, industrial designs, and trade secrets. Dr. Naika emphasized how originality and research form the foundation of valuable intellectual property, urging students to view problem solving as a path to innovation. He also explored strategies for turning ideas into impact, including licensing, technology transfer, incubation support, startups, and joint ventures. The session offered a clear perspective on how intellectual property, when nurtured and shared wisely, can drive both academic and entrepreneurial growth.

**Video Link :** [https://youtu.be/E\\_5UK40jvNg](https://youtu.be/E_5UK40jvNg)

### WORKSHOP MENTAL STATE EXAMINATION

The Department of Psychology organized a workshop on “Mental State Examination” for undergraduate students on 10th February 2026. The session was led by Ms. Meghana Srinivas, Assistant Professor, Department of Psychology, Garden City University. She introduced students to the concept of psychological abnormalities and their biological origins. The lecture highlighted the impact of biological, psychological, and sociological factors on personality. Students were guided step by step on how to conduct a Mental State Examination. Through practical insights, they learned to observe, interview, and document mental status systematically. The workshop emphasized the importance of using appropriate clinical terminology. Participants gained clarity in differentiating normal and abnormal mental functioning. The program also nurtured ethical awareness and empathy in budding psychologists. By the end, students felt better prepared for future clinical training and case applications.

### INDUSTRIAL VISIT TO PLASMAGEN

On February 10, 2026, B.Sc. and M.Sc. Chemistry students participated in an industrial visit to PlasmaGen. The visit offered valuable exposure to real world practices in the field of chemistry and gave students an opportunity to connect classroom learning with industry applications. They observed processes and gained insights into how theoretical concepts are translated into practical outcomes. The experience broadened their understanding of industrial standards and enhanced their appreciation of the role chemistry plays in applied research and production. Such visits are instrumental in preparing students for future careers by familiarizing them with professional environments and expectations. Overall, the program proved to be both informative and inspiring, adding depth to their academic journey.

**Video Link :** [https://youtu.be/N-i\\_qMY3G-4](https://youtu.be/N-i_qMY3G-4)

### ORIENTATION PROGRAMME: TATA STRIVE QSRE

An orientation programme was arranged by the Department of Hotel Management **Tata STRIVE Quick Service Restaurant Executive (QSRE) initiative was conducted on 10th February 2026.** The session introduced students to this specialized skill development programme designed to prepare

young aspirants for careers in the food and beverage and quick service restaurant sectors. Participants were familiarized with industry-relevant training modules covering customer service, food and beverage operations, hygiene and safety standards, teamwork, and professional communication. The orientation highlighted the importance of both technical and soft skills, ensuring that learners are confident and job-ready for reputed hospitality and retail brands. Students were also guided on the values of discipline, commitment, and continuous learning, which form the foundation of Tata STRIVE's mission to empower youth through skill-based education. The programme set a strong beginning, motivating students to embrace professional growth and industry readiness.

### **INDUSTRIAL VISIT TO TABLE SPACE**

**On 11th February 2026**, the Department of Hotel Management organized an enriching industrial visit to **Table Space** for students specializing in Front Office and Housekeeping. Coordinated by Mr. Paul Benjamin, the visit aimed to provide practical exposure to corporate hospitality operations and showcase

how hotel management skills are applied in professional workspace environments. The Table Space management team warmly welcomed the students and offered detailed briefings on client management systems, service protocols, and operational standards. Students gained valuable insights into guest handling, reception management, housekeeping scheduling, and facility coordination, while also learning the importance of grooming, etiquette, and hygiene in creating positive client experiences. A guided tour of the facility allowed them to observe real-time operations, bridging the gap between classroom learning and industry practice. The interactive Q&A session at the end further deepened their understanding and appreciation of corporate hospitality. Overall, the visit proved to be informative, engaging, and career-enhancing, equipping students with skills and perspectives vital for their professional growth.

## **POSTER PRESENTATION ON EVOLUTION OF COMPUTING TECHNOLOGY**

The Science Club, in collaboration with the Institution Innovation Council, and the Department of Computer Science, hosted a poster presentation on the theme

“Evolution of Computing Technology” on February 11, 2026. The event brought together students eager to showcase their creativity and knowledge. Posters highlighted the journey of computing from its earliest mechanical devices to the advanced digital systems of today. The presentation encouraged participants to explore milestones in hardware and software development, while also reflecting on the social and educational impact of technological progress. It provided a platform for students to express ideas visually and engage in meaningful discussions with peers. The vibrant display of work created an atmosphere of curiosity and learning, making the session both informative and inspiring. The program underscored the importance of understanding computing history as a foundation for innovation in the future.

### **POSTER PRESENTATION ON “WOMEN IN SCIENCE, TECHNOLOGY AND SPORTS”**

The Women Empowerment Cell organized a poster presentation on the theme “Women in Science, Technology and Sports” on February 11, 2026. The program, created a vibrant platform for students to highlight the achievements

and contributions of women across diverse fields. Posters reflected both historical milestones and contemporary successes, sparking thoughtful discussions on how women continue to shape progress in research, innovation, and athletics. The event encouraged participants to blend creativity with critical awareness, presenting ideas that celebrated resilience and excellence. It also offered an opportunity for students to engage with one another, exchange perspectives, and recognize the importance of inclusivity in academic and professional spaces. The session stood out as an inspiring reminder of the role education plays in empowering voices and fostering equality.

**Video Link:** <https://youtu.be/kV5au8vdN2Y>

### **MCA SCHOLARS SHINE AT KRISTU JAYANTI UNIVERSITY CONFERENCE**

On February 11, 2026, students from the MCA Department proudly represented the college at the Kristu Jayanti Student Conference PINNACE 2026 with the presentation of ten research papers. Their dedication and innovative thinking culminated in a remarkable achievement as a group of three students secured the First Prize at the event. Among the standout contributions

was the paper titled “Next Generation E Cyber Crime Reporting System with Secure Complaint Management” presented by Jayashree K., Shantha M., and Nayana N. This work impressed the panel with its relevance, originality, and practical application in addressing modern challenges. The success reflects not only the talent and perseverance of the students but also the guidance and encouragement provided by the faculty. Such accomplishments highlight the department’s commitment to fostering research, creativity, and academic excellence.

Congratulations to the team for bringing laurels to the institution and inspiring their peers to aim higher. Their achievement is a shining example of how passion and hard work can lead to outstanding results.

**Video Link :** <https://youtu.be/WtDqChLVeII>

### **POSTER EXHIBITION ON CLIMATE AWARENESS BY ECO CLUB**

On February 12, 2026, the Eco-Club organized a poster exhibition on the theme of global warming. The event brought together students who used creative visuals to portray the urgent challenges posed by climate change.

Posters illustrated the contrast between polluted environments and sustainable alternatives, sparking conversations on renewable energy, conservation, and responsible living. The exhibition encouraged participants to think critically about the role of individuals and communities in addressing environmental issues. It also provided a platform for students to express their ideas artistically while reinforcing the importance of ecological responsibility. The program stood out as a meaningful initiative that combined awareness, creativity, and collective commitment to a greener future.

**Video Link:** <https://youtu.be/XHYHi9ohzBA>

### **VALENTINE'S DAY PLATING COMPETITION**

The **Department of Hotel Management**, hosted a vibrant **Plating Competition** on **February 12, 2026**, at the SEA Advanced Training Kitchen. With the theme centered around **Valentine's Day**, the event brought together creativity, culinary artistry, and festive spirit. Students showcased their skills in presenting dishes that were not only delicious but also visually enchanting, reflecting the warmth and romance of the occasion.

The competition highlighted the importance of **presentation in gastronomy**, where every plate became a canvas of love, decorated with colors, textures, and imaginative flair. From heart-shaped motifs to elegant arrangements, participants infused their creations with both technical precision and artistic charm. The event served as a delightful platform for budding chefs to express their passion, while also reinforcing the department's commitment to nurturing innovation and excellence in hospitality education.

### **CISCO INDUSTRIAL VISIT**

On **12th February 2026**, the students and faculty of the Department of Hotel Management, visited **Cisco** to explore potential placement collaborations and industry partnerships. The meeting focused on creating career opportunities, internships, and industry exposure for students, laying the groundwork for a mutually beneficial relationship. Cisco's HR and training team shared valuable insights into recruitment processes, skill requirements, and expectations from hospitality graduates for corporate and facility management roles. Discussions

also highlighted possibilities for guest lectures, training programs, and campus recruitment drives, strengthening industry–academia collaboration. The Cisco representatives appreciated the initiative and emphasized the importance of adaptability, communication skills, and service orientation in aligning with their professional culture. The visit concluded on a positive note, opening doors for future tie-ups that will enhance students’ employability and professional growth.

### **HARISH ASHOK- III BCOM EXCELS IN INTERNATIONAL KICKBOXING ARENA**

The college is delighted to share the outstanding achievement of **Harish Ashok**, a final-year B.Com student, who showcased remarkable skill and determination at the **IKBF** (International Kick Boxing Federation) event held from **February 5 to 9, 2026**. His dedication to the sport earned him the prestigious Black Belt, marking a significant milestone in his martial arts journey. Adding to this accomplishment, Harish also secured a Silver Medal at the Indian Muaythai Gala, a testament to his perseverance and competitive

spirit. This success reflects not only his personal commitment but also the inspiration he brings to his peers. Harish's achievement stands as a proud moment for the institution, reminding us of the value of discipline, resilience, and passion in reaching new heights.

Congratulations to him on this remarkable feat, and best wishes for continued success in all his future endeavors.

### **WORKSHOP ON UI & UX DESIGN USING GENERATIVE AI**

On February 13, 2026, the Department of Computer Science and Applications organized a workshop on “UI & UX Design Using Generative AI” in association with IIC, IQAC, CSI, and the IT Club. The session featured **Mr. Sekhar Anasani, Head of Computer Application at United International Business School**, as the resource person. The workshop introduced students to the evolving role of generative AI in shaping user interface and user experience design. Participants gained insights into practical applications,

creative approaches, and industry expectations in this emerging field. The program encouraged students to think innovatively about design solutions while understanding how AI can enhance usability and aesthetics.

### **IDEAS SPOTLIGHT POSTER PRESENTATION**

The Department of Commerce and Management, in collaboration with the Institution's Innovation Council (IIC), organized a poster presentation on the theme "Ideas Spot Lights." The event conducted on February 13, 2026, provided a creative platform for students to showcase innovative concepts and present them in a visually engaging manner. Each poster reflected originality, critical thinking, and the ability to translate ideas into impactful communication. The program encouraged participants to explore diverse perspectives while sharpening their presentation skills. It also fostered a spirit of collaboration and innovation, aligning with the vision of nurturing entrepreneurial and academic excellence. The success of the event was made

possible through the dedicated efforts of IIC members and the guidance of faculty, whose support ensured a meaningful and inspiring experience for all.

### **CAREER ORIENTATION IN FORENSIC SCIENCE**

On **February 16, 2026**, the **Department of Forensic Science**, in collaboration with the **Science Club**, organized a career orientation program at S.E.A. College of Science, Commerce and Arts. The session featured Ms. Vismaya S.R. Assistant Professor in the department of Forensic Science from Kristu Jayanti College as the Guest of Honour.

The program offered students valuable insights into career opportunities in forensic science and highlighted the skills required to excel in this dynamic field. Discussions focused on the practical applications of forensic techniques, the growing demand for professionals in investigative sciences, and the importance of interdisciplinary knowledge. Students gained clarity on how academic learning connects with real-world practice, and the orientation inspired them to explore diverse pathways within forensic science. The event

proved to be an informative and motivating experience, reinforcing the college's commitment to guiding students toward meaningful career choices.

**Video Link :** <https://youtu.be/ownQvKIA418>

### **WORKSHOP ON AI & INNOVATION SPRINTS**

**On February 17, 2026**, the Department of Computer Science and Applications, in association with the Institution's Innovation Council (IIC), successfully conducted a workshop on **"AI & Innovation Spirits."** The program featured **Ms. Rashmi Ravi, the Co-Founder of Job Masterss** created an interactive learning space where students explored the dynamic role of artificial intelligence in driving creativity and innovation. The session was highly engaging, blending technical insights with practical examples that helped participants understand how AI can be applied to real-world challenges. Students appreciated the opportunity to discuss emerging trends and gained clarity on how innovation can be nurtured through technology.

The workshop not only enriched academic knowledge but also inspired students to think beyond conventional approaches, encouraging them to embrace AI as a tool for future problem-solving and entrepreneurial ventures.

### **CLINICAL NUTRITION STUDENTS STEP UP FITNESS GOALS**

**On February 17, 2026**, students from the Department of Clinical Nutrition and Dietetics actively participated in a **Structured Physical Fitness Training Session**. The program blended practical exercises with academic learning, helping students understand the vital connection between nutrition, health, and physical activity. The training not only strengthened their knowledge but also gave them hands-on experience in applying fitness principles to everyday practice. Such initiatives play a key role in shaping well-rounded professionals who can guide others toward healthier lifestyles. We extend our appreciation to Ms. Savitha G.J for organizing and guiding this valuable session. Her efforts ensured that students gained both confidence and clarity in linking classroom

concepts with real-world applications. The event was a motivating step toward holistic development and a reminder that fitness is an essential part of academic and personal growth.

### **DR. RAJI- DEAN OF ACADEMICS SHINES AT NATIONAL CONFERENCE**

It is a proud moment for S.E.A. College of Science, Commerce and Arts (Autonomous) as our esteemed Dean, **Dr. Raji. S.**, was invited to deliver the **Keynote Address** at the National Level Conference on “**Curriculum Transformation in Commerce Education for Industry 4.0**” hosted by **Selvamm Arts and Science College**, Namakkal, Tamilnadu. Her insightful speech highlighted the evolving role of commerce education in preparing students for the challenges of Industry 4.0, blending academic depth with practical foresight. With her eloquence and vision, Dr. Raji captivated the audience and set the tone for meaningful discussions throughout the conference. This recognition stands as a testament to her scholarly excellence and leadership in the academic community. It also reflects the growing

reputation of S.E.A. College as a hub of innovation and thought leadership. The entire college family rejoices in this achievement, celebrating her contribution to shaping the future of commerce education. **Congratulations, Dr. Raji!** Your success is our collective pride and inspiration.

### **PLASTIC AWARENESS RALLY BY NCC**

The **National Cadet Corps (NCC) Unit 39/4 COY KAR INF BN** of S.E.A. College of Science, Commerce and Arts proudly organized a **Plastic Awareness Rally** to spread the vital message of “Say No to Plastic – Save Life & Environment.” The rally brought together spirited cadets who marched with determination, raising slogans that echoed the urgency of protecting our planet. Their energy and commitment inspired onlookers, reminding the community of the power of youth in driving social change. This initiative highlighted the harmful effects of plastic on health and environment, urging everyone to adopt sustainable alternatives. The presence of our Founder Chairman, Sri A. Krishnappaji, added significance to the event, reinforcing the institution’s dedication to social responsibility. The rally was not just an awareness drive

but a call to action, encouraging citizens to make conscious choices for a greener future. Through this engagement, the NCC cadets showcased discipline, leadership, and a deep sense of civic duty. The entire S.E.A. family celebrates this impactful effort, proud of our cadets who carried forward the torch of environmental stewardship.

### INNOVATION AND ENTREPRENEURSHIP OUTREACH PROGRAM

The College proudly organized an *Innovation & Entrepreneurship Outreach Program* at **Bharathiya Vidya Nikethan High School (BVNHS), K.R. Puram**. This initiative was held on **19th February 2026**, beginning at 2:00 PM, and drew enthusiastic participation from students and faculty alike. The program was designed to ignite curiosity and inspire young minds toward innovation and entrepreneurial thinking. Through interactive sessions, students of BVNHS were introduced to the importance of creativity, problem-solving, and leadership in shaping the future. The outreach highlighted how entrepreneurial skills can empower youth to transform ideas into impactful

ventures.

Faculty members from the College guided the sessions, blending academic insights with practical examples to make the experience lively and engaging. The event also emphasized collaboration between institutions, showcasing the College's commitment to community-oriented educational initiatives. Students of BVNHS responded with keen interest, asking thoughtful questions and sharing their own innovative ideas. Such outreach programs strengthen the bridge between Higher Education and school-level learning, nurturing a culture of innovation from an early stage. The College looks forward to continuing similar initiatives that celebrate creativity, encourage entrepreneurship, and build strong educational partnerships.

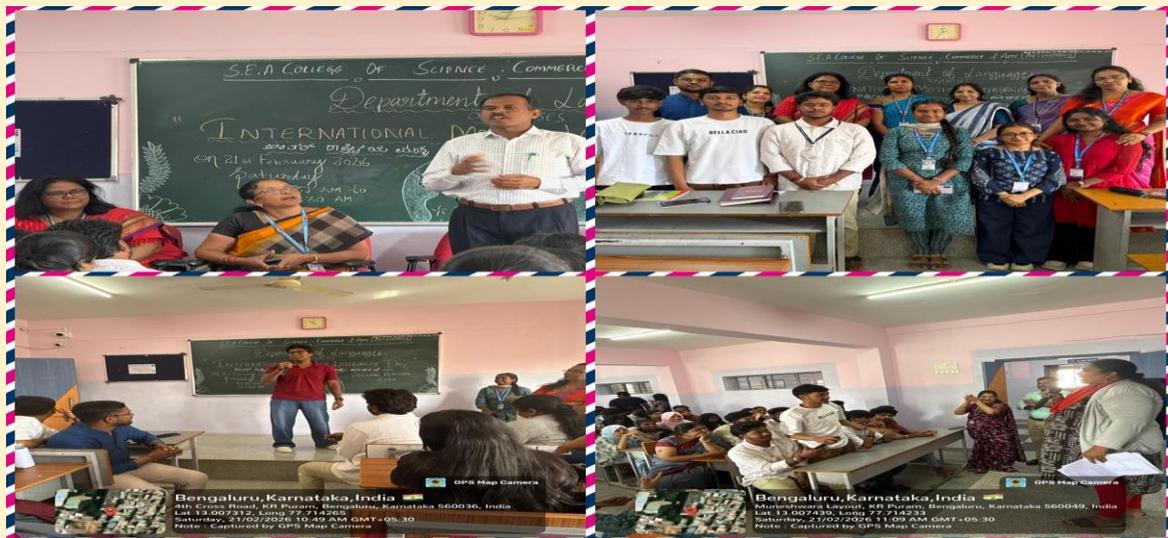

**Video Link:** <https://youtu.be/jQoeTR8dVBs>

### **INTERNATIONAL MOTHER LANGUAGE DAY**

The Department of Languages hosted **International Mother Language Day** on **Saturday, 21st** February 2026 at 9:30 A.M. The program opened with an inspiring address by **Dr. Muthe Gowda T.N.**, Principal, who emphasized the role of mother tongues in shaping identity and fostering inclusivity. Dr. Raji,

Dean of Academics, followed with a thoughtful message on the importance of nurturing linguistic diversity in higher education.

Students brought the celebration to life with heartfelt speeches in their own mother tongues: Kannada, Telugu, Malayalam, and Hindi with each voice adding to the mosaic of cultural pride. Their words resonated with the audience, reminding everyone of the beauty and strength carried through language. The event was not only ceremonial but also interactive. Activities such as Pick and Speak, Translation Games, and Dialect Challenges kept students engaged and energized. These sessions sparked laughter, curiosity, and a deeper appreciation for the nuances of communication. The day became a memorable occasion of reflection and joy, affirming the college's commitment to honoring the languages that connect us to our heritage while opening pathways to global understanding.

## POPULAR LECTURE SERIES: LECTURE 1 BY DR. MUTHE GOWDA TN

The First lecture of the Popular Lecture Series had unfolded on **February 21<sup>st</sup>, 2026**, with a spirit of inquiry and reflection. **Dr. Muthe Gowda T. N** had

spoken on the intertwined roles of religion, politics, and education in shaping a fairer society, weaving together perspectives that resonated across generations. Dr. Muthe Gowda delivered a very reflective and thoughtful lecture on the traditions, rituals and superstitions that binds and also shapes human beings. He also reflected on the importance of educating the mind than blindly doing things as per the scriptures or traditions. The gathering had marked a significant moment in the college's 25th year, as students and faculty had listened with attentiveness to ideas that challenged and inspired. The bilingual framing of the theme had underscored the institution's commitment to inclusivity and cultural rootedness. The afternoon session on 21 February 2026 had not only introduced the series but also set a tone of seriousness and relevance for the discussions that would follow. By situating the lecture within the broader vision of equality, the college had reaffirmed its dedication to nurturing dialogue that bridged academic thought and social responsibility.

**Video Link:** [https://youtu.be/zUz6VLbZ\\_0I](https://youtu.be/zUz6VLbZ_0I)

### **CARVING WORKSHOP**

The Department of Hotel Management hosted a **Carving Workshop on 21st February 2026**. Guided by Ms. Kalanjali M. and facilitated by **Chef Samuel**

from IHM Bangalore, the session introduced students to the intricate art of fruit and vegetable carving. Participants explored floral patterns, motifs, and centrepiece arrangements, learning both precision techniques and safety practices essential for professional presentation. The hands-on experience sparked enthusiasm as students discovered how creativity and aesthetics elevate culinary service and guest satisfaction. Chef Samuel's live demonstrations inspired budding hoteliers to blend artistry with hospitality. The workshop concluded with an engaging Q&A session, followed by appreciation certificates that celebrated student participation. Overall, the program proved to be an enriching and skill-enhancing experience, leaving students motivated to refine their craft in food presentation.

### **SHRI KRISHNAPPA MEMORIAL CUP 2026-INTERCOLLEGIATE SPORTS TOURNAMENT**

The Shri A. Krishnappa Memorial Cup 2026 had commenced with an inaugural ceremony that carried both dignity and celebration. On **23 February**, the S.E.A

Cricket Ground had welcomed athletes, dignitaries, and well-wishers to mark the beginning of the inter-collegiate sports tournament to mark the 25<sup>th</sup> year Silver Jubilee Celebration of the S.E.A Group of Institutions. **Shri Madhu Bangarappa, Minister for School Education and Literacy, Government of Karnataka**, had graced the occasion as chief guest, bringing words of encouragement that underscored the role of sports in education. **Dr. Ramesh B, Vice Chancellor of Dr. Manmohan Singh Bengaluru City University**, and **Santhosh B. S, Pro Kabaddi player of Telugu Titans**, had joined as guests of honour, adding distinction to the gathering. Their presence had highlighted the union of academic leadership and sporting excellence. The inaugural had not only paid tribute to the legacy of Shri A. Krishnappa but also set the tone for days of spirited competition. The speeches and addresses had emphasized values of teamwork, resilience, and respect. Students, faculty, and athletes had come together in a shared spirit of camaraderie. With the ceremonial opening complete, the tournament had promised to be a memorable celebration of sport and community.

### **CELEBRATING SPORTING EXCELLENCE: SILVER MEDAL IN KARATE AT BNU**

**Sri Dhanush B. K** from I year MCA of our college had brought distinction to the institution by winning second place in the **Bengaluru North University Inter Collegiate Karate Individual Kata competition**. The contest had been held at **Indian Academy Degree College on 23 February 2026 under the Directorate of Physical Education and Sports**. His achievement had been recognized with a merit certificate and a silver medal, symbolizing both skill and perseverance. The success had reflected the college's commitment to nurturing talent beyond academics. Faculty and peers had applauded his dedication, seeing it as an inspiration for fellow students. This accomplishment had added pride to the college's record of achievements in intercollegiate sports.

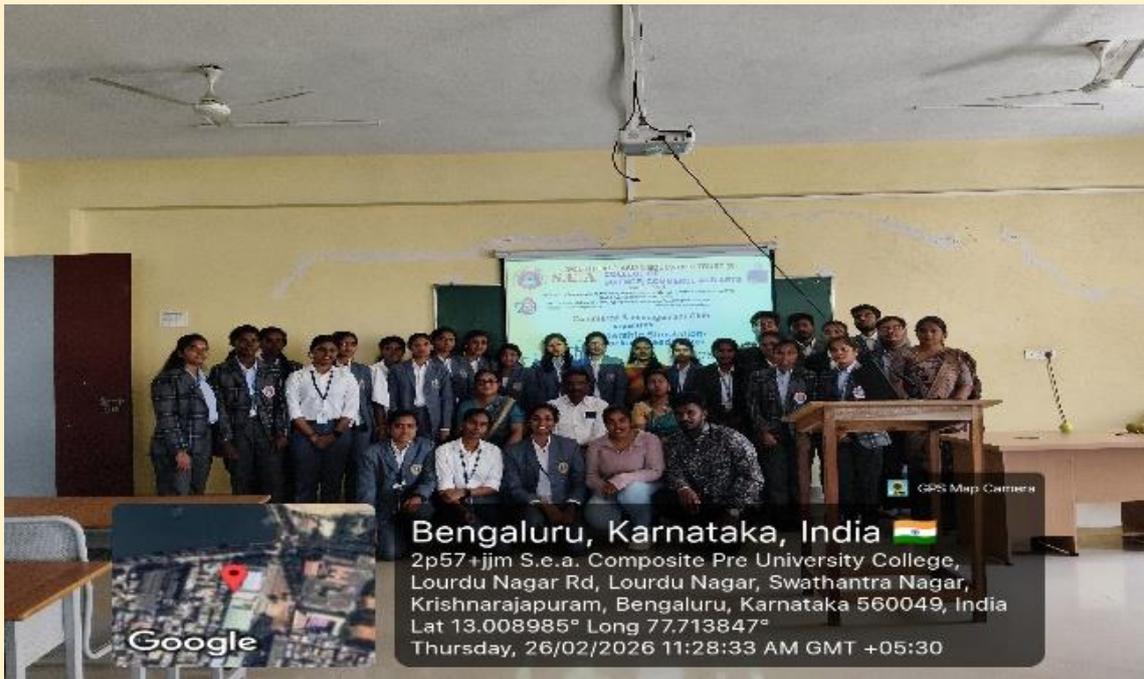

### **CSR ACTIVITY AT ABAYASHRAM, KATAMNALLUR BY BHM**

The Department of Hotel Management had carried forward its ethos of service through the CSR initiative titled *A Day of Care and Compassion*. On 24 February 2026, faculty and students had gathered at Abayashram, Kattamnallur, to extend warmth and kindness to the community. The event had been marked by simple yet profound gestures, as meals were shared and conversations had unfolded in a spirit of empathy. The guiding thought, that small acts multiplied by many could transform lives, had found vivid expression in the day's activities. Participants had discovered that hospitality extended beyond classrooms and kitchens, reaching into the heart of social responsibility. The program had not only reflected the department's professional values but also reminded everyone that compassion remained the truest measure of education.

### **LEADERSHIP SIMULATION: UNLOCKING LEADERSHIP**

The **Commerce & Management Club** successfully organized *Leadership Simulation – Unlocking Leadership* on 26th February 2026 at the PG Seminar Hall. The program provided students with a dynamic platform to experience real-time decision-making, teamwork, and problem-solving through engaging simulation activities. Participants explored different leadership styles and strategies, gaining practical insights into effective management and adaptability. The interactive sessions encouraged collaboration and creativity, helping students understand the importance of communication and confidence in leadership roles. The event also marked the institution's 25th anniversary, adding significance to the celebration of growth and professional excellence. Overall, the simulation proved to be an enriching and inspiring experience, equipping students with valuable skills to thrive as future leaders.

### **IKS GUEST LECTURE ON SOCIAL REFORMERS**

An insightful IKS Guest Lecture on *Social Reformers* was held on 27th February 2026 in the A/C Seminar Hall. The session was delivered by **Dr. Lakshmipathi C.G., Professor of Sociology at Smt VHD Central Institute of Home Sciences (MCU)**. The lecture highlighted the contributions of eminent social reformers who played a pivotal role in shaping society through progressive ideas and transformative actions. Students gained a deeper understanding of the relevance of social reform movements in addressing issues of inequality, justice, and social change. Dr. Lakshmipathi emphasized the importance of critical thinking, empathy, and active participation in building a more inclusive society. The interactive nature of the session encouraged students to reflect on contemporary challenges and the role of youth in driving reform. Overall, the lecture was both educational and

inspiring, leaving participants motivated to carry forward the spirit of social responsibility.

### **CRISIS MANAGEMENT WORKSHOP**

The Department of Commerce & Management organized an engaging session on *Crisis Management* on 27th February 2026 . The program aimed to equip students with practical knowledge and strategies to handle unexpected challenges in business and organizational settings. Through interactive discussions and case-based learning, participants explored the importance of quick decision-making, effective communication, and resilience during critical situations. The session highlighted how crisis management plays a vital role in safeguarding organizational reputation and ensuring continuity of operations. Students gained valuable insights into problem-solving approaches and the significance of teamwork in overcoming uncertainties. Overall, the workshop

proved to be highly informative and skill-enhancing, preparing students to face real-world challenges with confidence and adaptability.

### **TRAVEL ITINERARY COMPETITION**

The **Department of Hotel Management**, organized an engaging **Travel Itinerary Competition** on **February 27, 2026**, at the **BHM Auditorium**. The event invited students to showcase their creativity and planning skills by designing imaginative and practical travel itineraries. With themes ranging from cultural explorations to adventurous getaways, participants demonstrated their ability to blend hospitality knowledge with innovative presentation.

The competition highlighted the importance of **strategic planning in tourism and hospitality**, encouraging students to think critically about destinations, logistics, and guest experiences. Each itinerary reflected not only organizational skills but also a flair for storytelling, transforming journeys into memorable experiences. This initiative provided a vibrant platform for budding

professionals to sharpen their skills, while also celebrating the spirit of exploration and discovery that lies at the heart of hospitality education.

### **NATIONAL SCIENCE DAY CELEBRATION UNDER *UNNAT BHARAT ABHIYAN***

On the occasion of **National Science Day, February 28, 2026**, our college proudly carried forward its commitment to community development and educational empowerment under the *Unnat Bharat Abhiyan* initiative.

In a heartfelt gesture, the institution successfully **distributed Computer PCs to the Government School, Hulugumanahalli**, marking a significant step toward bridging the digital divide and fostering scientific temper among young learners. The event was not just a celebration of science but also a reaffirmation of our collective responsibility to extend the benefits of technology to rural schools. This initiative reflects the spirit of National Science Day—honoring scientific progress while ensuring its reach to every corner of society. The smiles of the schoolchildren and the enthusiasm of the faculty stand as a

testament to the transformative power of collaboration between institutions and communities.
