ABOUT COLLEGE

S.E.A. College of Science, Commerce and Arts is anchored in a value-driven organizational culture that encourages students, staff, and faculty to perceive education as a tool for self-expression, unfolding individual potential, and achieving excellence. The campus cultivates a familial atmosphere where members embrace each other's strengths and weaknesses, supporting one another in their journey toward mental resilience and physical agility. The institution promotes a culture of diligence, self-regulation, and self-discipline, fostering a reputation for its members as adept decision-makers in the face of dynamic challenges. Recognizing that success requires commitment without shortcuts, S.E.A. College of Science, Commerce and Arts instils a value system in young minds, guiding them through a transformative journey from basic literacy to a comprehensive education. This evolution involves a shift from reactive to proactive approaches, from follower to initiator, from a competitive mind-set to one of collaboration, and from self-contentment to team contentment. Encouraging a shift from casualness to creativity and from inactivity to competency, the institution creates an environment where individuals strive for excellence in both their professional and personal pursuits

HEADS MEETING

The meeting of the Heads of Departments (HODs) for the Academic Year 2025–26 was held on 04/04/2026 at 12:00 P.M. in the IQAC Room. The meeting was conducted to discuss various academic and administrative matters.

The Monthly Calendar for April 2026 was reviewed and finalized. The progress of the implementation of Value-Added Courses in different departments was discussed and HODs were advised to ensure effective execution. Departments were also instructed to identify eligible students for the AICTE Saraswati Scholarship and guide them in the application process.

Further, the meeting reviewed the publications and other academic activities of faculty members, encouraging departments to enhance research and publication output. HODs also discussed and planned departmental activities for the Academic Year 2026–27.

In addition, suggestions were invited from all departments for updating the Prospectus for the Academic Year 2026–27. Finally, other relevant matters were discussed with the permission of the Chair, and the meeting concluded with instructions to implement the decisions discussed.

OZONE LAYER DEPLETION- POSTER MAKING

7th April 2026 marked a day of intellectual curiosity and creative expression as the Department of Chemistry brought the spirit of Avishkar, "Explore Through Experiment," alive in the campus. The Poster Making Competition centered on the urgent and evocative theme of Ozone Layer Depletion, a canvas not merely of colour, but of conscience. Brushes

moved with purpose as participants translated complex atmospheric chemistry into striking visuals, weaving data and drama into every stroke. The posters that emerged spoke of chlorofluorocarbons and their silent devastation, of ultraviolet rays piercing a wounded sky, and of a planet quietly gasping for its protective shield. Judges deliberated with care, recognising not just artistic merit but the depth of scientific understanding embedded within each composition. Conversations sparked across the room, between peers, between disciplines, between the known and the yet-to-be-discovered, echoing the very philosophy that Avishkar was built upon. As the event drew to a close, what lingered was not merely the memory of a competition, but a renewed resolve among the young minds of S.E.A. to carry science beyond the classroom and into the world's most pressing conversations.

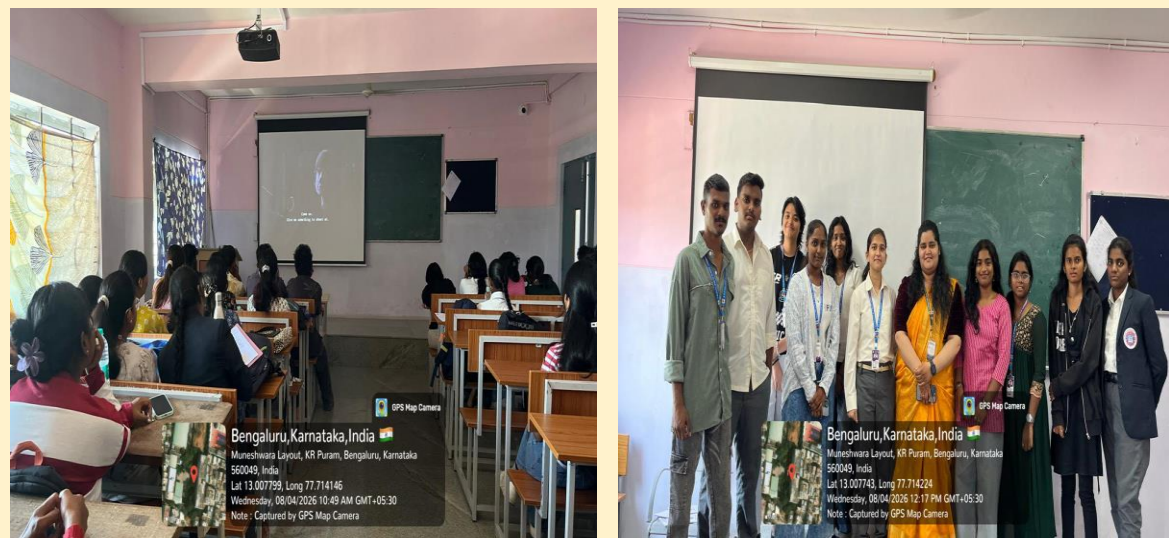

MOVIE SCREENING

On 8th April, 2026 the Department of Psychology and Science Club organized a movie screening of the popular animated film *How to Train Your Dragon* as part of the Avishkar initiative. Approached not as animated fantasy but as a rich psychological text, the film became a lens through which students examined themes of emotional displacement, cognitive bias, identity, and the very human tendency to fear what is misunderstood. The character of Hiccup offered a compelling study in self-discovery, illustrating how curiosity and emotional awareness can dismantle prejudice and reshape deeply ingrained perceptions. The bond between Hiccup and Toothless further opened conversations around emotional

intelligence, trust, and the quiet power of empathy and non-verbal communication in building meaningful relationships.

A particularly resonant takeaway was the concept of emotional interdependence, reminding students that personal growth is rarely a solitary journey but one shaped profoundly by the relationships and communities we inhabit. The post-screening discussion was alive with insight, as students connected cinematic storytelling to psychological theories, sharpening both their critical thinking and their capacity for real-world application.

INDUSTRIAL VISIT TO IISc

8th April 2026 marked an inspiring milestone for the **Institution's Innovation Council(IIC)** of the college as it organised a visit to the **Intellectual Property and Technology Licensing (IPTeL) Centre** at the prestigious **Indian Institute of Science (IISc) campus in Malleswaram, Bengaluru**. The visit offered students a rare and enriching opportunity to step beyond the boundaries of the classroom and into one of India's most distinguished centres of research and innovation. At the heart of the experience was an immersive introduction to Intellectual Property and Intellectual Property Rights, subjects that are increasingly vital in today's knowledge-driven economy. Students were acquainted with the various forms of intellectual property, including patents, trademarks, copyrights, and trade secrets, gaining a clearer understanding of how ideas are protected and commercialised in the real world. The IPTeL Centre, known for its pivotal role in bridging academic research and industry application, provided a fitting backdrop for these conversations, inspiring students to think of their own ideas as assets worthy of protection. Engaging interactions with experts at the centre brought theoretical concepts to life, sparking

curiosity and encouraging students to consider innovation not just as an academic pursuit but as a professional responsibility. The visit reinforced the IIC's commitment to fostering an entrepreneurial and inventive mindset among students, equipping them with knowledge that extends well beyond textbooks. It was, in every sense, a day that broadened horizons and planted the seeds of innovation in the minds of tomorrow's thinkers.

ORIENTATION SESSION ON ACCA AND EA CERTIFICATIONS

The Career Guidance and Placement Cell took a significant step in shaping student futures by hosting an illuminating session on two of the most sought-after finance certifications in

the world, the ACCA (Association of Chartered Certified Accountants) and the EA (Enrolled Agent) on April 08, 2026. Professor Sunil from Chanakya University (Virtual) led the session with clarity and enthusiasm, bringing with him a wealth of knowledge that made the world of global finance feel both accessible and deeply exciting. The ACCA, recognised across over 180 countries, and the EA, a credential granted by the US Internal Revenue Service, were presented as powerful tools for students aspiring to make their mark in accounting, taxation, and financial advisory roles on a global stage. The session was peppered with real-world examples and career insights that resonated deeply with the aspirations of the students in the room. Questions flowed freely, and the dialogue that followed spoke volumes about the curiosity and ambition that the session had successfully ignited. It was an afternoon that reminded every student present that the right qualification, pursued with purpose, can truly transform the trajectory of a career.

SPIN A WHEEL

The Department of Commerce & Management sparked excitement on 9 April 2026 with the Spin a Wheel Competition, where every turn brought suspense, laughter, and a test of quick thinking. Students embraced the challenge with enthusiasm, turning a simple spin into moments of creativity and spirited fun that energized the campus.

TREASURE HUNT

The momentum carried into 10 April 2026 with the Treasure Hunt, blending teamwork, wit, and adventure into a lively race across clues and surprises. Together, the two events showcased the department's flair for combining play with learning, leaving participants with memories of camaraderie, discovery, and joy that will echo long after the week's celebrations.

WORKSHOP ON AI POWERED SOLUTION EXPO: DEMO DAYS FOR AI/I 4.0 PROTOTYPES

Institution's Innovation Council (IIC) and Department of Computer Applications brought together a dynamic showcase on 10 April 2026, hosting the AI Powered Solution Expo: Demo Days for AI/I 4.0 Prototypes. The workshop opened doors to a world where ideas meet implementation. Students and innovators presented prototypes that blended creativity with cutting edge technology, highlighting how artificial intelligence can reshape industries and everyday life.

The session, held from 10:30 AM to 11:30 AM, was more than a demonstration. It was a glimpse into the future. Each prototype carried the spark of possibility, from smart systems designed to simplify tasks to bold solutions tackling complex challenges. By creating this platform, IIC reaffirmed its commitment to nurturing innovation and encouraging students to think beyond the conventional. The event was not just about technology; it was about imagination, collaboration, and the courage to experiment.

BLOOD DONATION AND EYE CHECK UP CAMP

10 April 2026 became a day of service and care at S.E.A. College of Science, Commerce and Arts. On the occasion of the birth anniversary of Honorable Shri Krishnappa- the Founder of S.E.A Group of institutions, In association with YRC, NCC, and NSS, the

college organized a Blood Donation Camp and Eye Check up Camp at the MultiPurpose Auditorium, turning the campus into a hub of compassion and community spirit.

Students, faculty, and volunteers came together to contribute to a cause larger than themselves. The blood donation drive reflected the power of collective goodwill, while the eye check up camp ensured that health awareness reached every participant. Both initiatives carried forward the college's vision of education that extends beyond classrooms—education that nurtures responsibility, empathy, and social commitment. The event stood as a reminder that true celebration lies in giving back. With enthusiastic participation and heartfelt involvement, the day left an imprint of care and solidarity, perfectly aligning with the institution's mission to inspire not only knowledge but also humanity.

POPULAR LECTURE SERIES: REDEFINING COMMERCE FOR INDUSTRY 4.0

On **11 April 2026**, the college hosted the second lecture in its **Popular Lecture Series**. The session featured **Dr. Raji S**, Dean of Academics, who spoke on **“Redefining Commerce Curriculum in the Industry 4.0 Era for Employability and Academic Relevance.”** The lecture explored how rapid technological changes demand a curriculum that is both forward-looking and practical. Dr. Raji emphasized the importance of aligning academic programs with industry expectations to strengthen student employability. The talk highlighted how digital transformation is reshaping commerce education and creating new opportunities for innovation. Faculty and students engaged actively, reflecting the college’s commitment to staying relevant in a changing world. The event also underscored the institution’s vision of blending tradition with modernity in academic pursuits. It was a thought-provoking afternoon that left participants inspired to rethink the future of commerce education.

INNOVATION AND ENERGY AT THE BOOT CAMP WILL BE HELD FOR 5 DAYS, FROM 06-03-2026 TO 10-03-2026

Harsha from I Year BBA (General) and Singari Akash from I Year BBA (Aviation) proudly represented our institution at a five day boot camp organized by the Institution's Innovation Council in collaboration with AICTE, GITAM (Deemed to be University), Wadhvani Foundation, and SBI Foundation. The program focused on Innovation and Business Plans, giving participants a chance to sharpen their ideas and explore entrepreneurial thinking. Both students immersed themselves

in sessions that blended creativity with practical strategies for building sustainable ventures. The boot camp encouraged them to think beyond textbooks and engage with real world challenges. Harsha and Akash stood out for their active participation, contributing fresh perspectives and thoughtful inputs throughout the program. Their involvement reflected the spirit of curiosity and initiative that defines our student community. By embracing this opportunity, they demonstrated how young minds can rise to the demands of innovation and leadership. The college applauds their enthusiasm and looks forward to seeing their ideas grow into impactful contributions in the future.

COMMEMORATING DR. B.R. AMBEDKAR JAYANTI

On 14 April 2026, the college observed the 135th birth anniversary of Dr. B.R. Ambedkar, the Father of the Indian Constitution. The Department of Humanities and the Department of Social Work organized the celebration, creating a thoughtful platform to honor his vision and legacy. Principal Dr. Muthe Gowda. T N addressed the gathering, emphasizing the importance of following great leaders like Ambedkar and adopting his principles with a progressive mindset. Dr. K. Viyyanna Rao, Honorary Director of the SEA Group of Institutions, also spoke on Ambedkar's monumental contribution to the Indian Constitution and its continuing relevance in today's society.

The program highlighted how Ambedkar's teachings remain a guiding force for democracy, equality, and social justice. Faculty and students participated with reverence, reaffirming the values of inclusivity and empowerment. By commemorating this milestone, the college reinforced its commitment to nurturing awareness and responsibility among students. The celebration stood as a reminder that education is not only about knowledge but also about carrying forward ideals that shape a just and equitable society.

WORLD CREATIVITY AND INNOVATION DAY

On 21 April 2026, the Institution's Innovation Council at S.E.A. College of Science, Commerce and Arts celebrated World Creativity and Innovation Day with great enthusiasm. The event brought together students and faculty to explore the power of imagination in shaping new ideas. Discussions highlighted how creativity fuels innovation and how both are essential in addressing challenges of the modern world. Participants engaged in thought provoking activities that encouraged them to think beyond conventional boundaries. The celebration emphasized the importance of nurturing originality and bold thinking in academic and professional pursuits. Faculty members inspired students to view creativity not just as an art but as a tool for problem solving and progress. The day reflected the college's commitment to fostering an environment where innovation thrives. It concluded with a renewed spirit of curiosity and confidence, reminding everyone that creativity is the cornerstone of transformation.

COMPETITION FOR CREATING PROMOTIONAL EMAILS

On 21 April 2026, the Department of Science and Computer Applications organized a unique Competition for Creating Promotional Emails. The event invited students to showcase their skills in designing impactful digital communication. Participants explored how creativity and clarity can transform a simple email into a powerful promotional tool. The competition encouraged them to balance professional tone with engaging content, reflecting the demands of modern communication. Students demonstrated originality in layout, language, and design, proving that innovation thrives even in everyday formats. Faculty members appreciated the enthusiasm and highlighted the importance of mastering digital platforms for academic and career growth. The event reinforced the college's commitment to nurturing practical skills alongside theoretical knowledge. It concluded with a sense of accomplishment, leaving participants inspired to use creativity as a bridge between ideas and audiences.

WORKSHOP ON PRODUCT MARKET FIT

On April 22, a one-day workshop on *Product Market Fit: Process Design and MVP Development* brought together UG and PG students eager to sharpen their entrepreneurial skills. The session emphasized how aligning customer value propositions with market needs is the foundation of successful startups. Participants explored the dynamic link between process design and MVP development, gaining practical insights into building viable products. Guest speakers **Mr. Muskan K** and **Mr. Anish Shek** guided the audience with engaging examples and clear strategies. They illustrated how to identify key metrics that strengthen product design and market approaches. Students responded enthusiastically, connecting theory with real-world applications in interactive discussions. The workshop inspired participants to think critically about innovation and sustainability in their ventures. It concluded with a renewed sense of confidence among students, ready to translate ideas into impactful entrepreneurial journeys.

PAVITHRA SHINES WITH FIRST PRIZE IN POETRY RECITATION

Congratulations to **Pavithra from B.Sc. Forensic Science(Second year)** for her outstanding achievement in securing **First Prize** at the Poetry Recitation Competition with a cash reward of Rs 2000 hosted by **East Point College of Higer Education Bengaluru**. Her expressive performance captivated the audience and earned her well-deserved recognition along with a cash prize. This accomplishment highlights her talent, dedication, and creative spirit. The entire community takes pride in her success and wishes her continued excellence in future endeavors.

TRAILBLAZERS

1. Assistant Professor Vasantha Kumar H.R. co authored and presented the paper "Strengthening Psychosocial Support Systems to Address Real Time Community Challenges: A Social Work Practice Perspective" on 9th April 2026 at the National Conference on Inclusive Disability Interventions: Diversity, Equity, Accessibility & Sustainability held at Dr. Manmohan Singh Bengaluru City University.
2. Assistant Professor Adishesha K presented the paper "A Deep Learning Based Computer Vision Framework for Automated Solid Waste Segregation" on 9th and 10th April 2026

	at the International Conference on Emerging Trends in Green Engineering, Business Excellence & Applied Sciences organized by S.E.A. College of Engineering & Technology, Bengaluru.
3.	Assistant Professor Vasantha Kumar H.R. co-authored and presented the paper “Strengthening Psychosocial Support Systems to Address Real Time Community Challenges: A Social Work Practice Perspective” on 9th April 2026 at the National Conference on Inclusive Disability Interventions: Diversity, Equity, Accessibility & Sustainability held at Dr. Manmohan Singh Bengaluru City University.
4.	Assistant Professor Lt. Savitha participated in the Online National Level Workshop on “AI in Language Enhancement and Editing” organized by ELSTA, India on 11th April 2026, held via Google Meet.
5.	Assistant Professor Revathi G <ul style="list-style-type: none"> • Participated in the 6 day Online Faculty Development Programme on Transforming Academic Practices for AI Integrated Education organized by JAIN (Deemed to be University) in collaboration with IQAC, April 06–11, 2026. • Participated in the One Day National Level Online Workshop on Enhancing Research Paper Writing Skills organized by HI Learn Edutech Institute, Vijayapur, on 10 April 2026.
6.	Assistant Professor Nayona M presented the paper “Impact of Diversity and Inclusion in Work Effectiveness” at the National Conference on Inclusive Disability Interventions: Diversity, Equity, Accessibility & Sustainability held on April 9 10, 2026 at Dr. Manmohan Singh Bengaluru City University.
7.	Assistant Professor Lakshmi presented the paper “Impact of Diversity and Inclusion in Work Effectiveness” at the National Conference on Inclusive Disability Interventions: Diversity, Equity, Accessibility & Sustainability held on April 9 10, 2026 at Dr. Manmohan Singh Bengaluru City University.
8.	Assistant Professor Dr. Rekha Mehta presented the paper “Empowering Individuals and Communities: Enhancing Person Centered Psychological and Social Work Practice” at the National Conference on Inclusive Disability Interventions: Diversity, Equity, Accessibility & Sustainability held on April 9 10, 2026 at Dr. Manmohan Singh Bengaluru City University.
RESEARCH AND ACADEMIC PUBLICATIONS	
9.	Assistant Professor M. Ramya has presented the paper “Vocational Education and Skill Development for Youth” published in Volume 12, Issue 11, April 2026 of the International Journal of Innovative Research in Technology (IJIRT), ISSN 2349 6002.
10.	Assistant Professor Malini S has presented the paper “Smart Cities Mission and Sustainable Urban Planning” published in Volume 12, Issue 11, April 2026 of the International Journal of Innovative Research in Technology (IJIRT), ISSN 2349 6002.
11.	Assistant Professor Revathi G has published the book chapter “Women Led Enterprises – A Tool for Empowerment of Women” in Emerging Trends in Commerce and Industry, ISBN 978 93 48990 97 6, released in April 2026 by IOT Academy Publishers.
RESOURCE PERSONS	
12.	Assistant Professor Megha H.R. successfully served as Session Chair (Virtual) at the 15th International Conference on Recent Challenges in Engineering and Technology (ICRCET 2026), held on April 22 23, 2026 in Bangalore, organized by IFERP Academy and Primus School of Management Studies, accredited with 16 CPD hours.

SILVER JUBILEE CELEBRATIONS- PARTICIPATION FROM DEGREE COLLEGE

Twenty-five years of excellence, one unforgettable celebration! S.E.A. Group of Institutions flung open its doors on April 29, 2026, to herald Samaanthara, its Silver Jubilee Cultural Festival, and the campus has not been the same since. The occasion was magnificently graced by the Hon'ble Deputy Chief Minister of Karnataka, Shri D.K. Shivakumar, who inaugurated the festivities with great warmth and joy. Adding to the grandeur of this landmark moment was the beloved management of S.E.A. Education Trust, the very hearts and minds behind twenty-five years of brilliance: Smt. Manjula A. Krishnappa, Chairperson; Sri. D.T. Srinivasa, Secretary; Smt. Poornima Srinivasa, CEO; Smt. Anupama K, Treasurer and Joint Secretary; Ms. Vinisha Yadav, Vice President; Dr. Brijesh Yadav, Trust Member; and Mr. Rohan Yadav, Trust Member. The function was also graced by Prof. K. Viyyanna Rao, Honorary Director, Dr. Muthe Gowda T N, Principal S.E.A College of Science, Commerce and Arts and all other principals of the Group of Institutions. Samaanthara was nothing short of the finest celebration yet!

In a tribute perfectly matched to the milestone, S.E.A. curated exactly 25 cultural events, one for every radiant year of the institution's journey, turning the campus into a pulsating arena of talent, competition, and pure creative fire. The response was nothing short of extraordinary. Over 4000 students poured in from colleges across Bengaluru, each one hungry to create, compete, and celebrate. The stakes were incredibly high, with cash prizes worth a staggering Rs. 6,25,000 awaiting the best of the best, making every performance, every note, and every brushstroke count for something truly spectacular.

As the curtains fell on April 30, the evening saved its most electrifying moment for last. The phenomenal Sanjith Hegde took to the stage and delivered a live performance that left every single soul in the audience breathless, blissful, and

begging for more. His voice soared through the night like the perfect closing chapter of a magnificent story, one that began twenty-five years ago with a dream and a promise. Samaanthara 2026 did not merely celebrate a Silver Jubilee. It announced, loud and blazing, that the very best of S.E.A. is still very much ahead.
