ABOUT COLLEGE

S.E.A. College of Science, Commerce and Arts is anchored in a value-driven organizational culture that encourages students, staff, and faculty to perceive education as a tool for self-expression, unfolding individual potential, and achieving excellence. The campus cultivates a familial atmosphere where members embrace each other's strengths and weaknesses, supporting one another in their journey toward mental resilience and physical agility. The institution promotes a culture of diligence, self-regulation, and self-discipline, fostering a reputation for its members as adept decision-makers in the face of dynamic challenges. Recognizing that success requires commitment without shortcuts, S.E.A. College of Science, Commerce and Arts instils a value system in young minds, guiding them through a transformative journey from basic literacy to a comprehensive education. This evolution involves a shift from reactive to proactive approaches, from follower to initiator, from a competitive mind-set to one of collaboration, and from self-contentment to team contentment. Encouraging a shift from casualness to creativity and from inactivity to competency, the institution creates an environment where individuals strive for excellence in both their professional and personal pursuits.

INVESTITURE CEREMONY AND FRESHERS' DAY (UG)

On 1st September 2026, S.E.A College of Science, Commerce and Arts witnessed a day of distinction and delight as two significant events unfolded in succession.

The morning was marked by the Investiture Ceremony of the Student Governing Council 2026, with Ms. Vidyakumari, IAS, Project Director, Samagra Shikshana Karnataka & Commissioner, Public Library, Bengaluru, serving as the Chief Guest. In her inspiring address, Ms. Vidyakumari emphasized the importance of discipline, vision, and integrity in leadership. She reminded the newly elected council members that true governance begins with responsibility and that their role is not merely ceremonial but a commitment to serve their peers with fairness and dedication. Her words instilled confidence and a sense of purpose in the young leaders stepping into their new roles.

Later in the day, the auditorium blossomed with youthful energy during ANKURA 2026 – Freshers' Day. The event welcomed the newest members of the college community with cultural vibrancy and spirited performances. The Guest of Honour, Miss Vinisha Yadav, Vice President of the S.E.A Group of Institutions, delivered a heartfelt message to the students. She urged them to embrace courage and compassion, perseverance, to see education as a journey of character building as much as knowledge, and to remain fearless in their pursuit of excellence. Her call to unity and responsibility resonated deeply, inspiring the freshers to envision themselves as contributors to society and custodians of democratic values.

Together, these two ceremonies reflected the institution's commitment to nurturing leadership and celebrating fellowship. The day stood as a reminder

that education flourishes not only in classrooms but also in moments of shared inspiration, where responsibility and joy walk hand in hand.

GRADUATION CEREMONY 2026- PG

S.E.A college of Science, Commerce and Arts proudly hosted its Post Graduate Graduation Ceremony on September 2, 2026, marking a distinguished academic milestone for its outgoing class. The event celebrated perseverance,

learning, and achievement across multiple postgraduate departments, blending tradition with inspiration. The Chief Guest, Dr. K. Y. Narayanaswamy Vice Chancellor of Maharani Cluster University, offered profound insights and encouragement to the graduates. His presence was honored with a token of appreciation from the management. Graduate reflections added a personal dimension, with representatives from MSW, MBA, MCA, and M.Com departments sharing their journeys and aspirations. The highlight of the day was the formal presentation of the graduating class. Special Academic Excellence Awards recognized outstanding achievers, underscoring the institution's commitment to merit and distinction. The ceremony concluded with an inspiring keynote by Dr. K. Viyyanna Rao

SESSION:STRENGTHENING RESEARCH AND INNOVATION ECOSYSTEMS IN HEIs

The Institution Innovation Council facilitated participation in the MIC Calendar Activity titled “Strengthening Research and Innovation Ecosystems in HEIs: Leveraging MANTHAN and UTTHAN for Institutional

Transformation” on 2 September 2026. The online session, streamed via the MoE Innovation Cell, was led by campaign strategists Ms. Shaheena and Ms. Preksha from the Office of the Principal Scientific Adviser, Government of India. The speakers emphasized the importance of building resilient, innovative, and future ready higher education institutions.

Participants were introduced to the MANTHAN initiative, which focuses on ideas and implementation through science, technology, and innovation, and UTTHAN, which highlights inclusive innovations for institutional growth. The session underscored the role of collaboration, partnerships, and creative thinking in strengthening research ecosystems. Students and faculty gained valuable insights into how national initiatives can transform institutional practices and promote sustainable solutions. The programme encouraged participants to think beyond conventional approaches, explore innovative ideas, and contribute actively to institutional transformation.

SEA STUDENTS EXCEL AT INNOMANTHAN 2026

A wave of pride swept through S.E.A College of Science, Commerce and Arts as our students advanced to the Grand Finale of FKCCI – InnoManthan 2026, held at the iconic Vidhana Soudha on 4th September. Out of nearly 1,700 participants, after navigating four demanding rounds, our team secured a

coveted place among the Top 120 Finalists, a distinction that speaks volumes of their perseverance and ingenuity.

Representing the institution with confidence and clarity were Vishanth (B.A.) and Singari Akash (BBA Aviation), whose innovative ideas and spirited presentations drew admiration from peers and professionals alike. Their achievement is not only a personal triumph but also a reflection of the college's commitment to nurturing entrepreneurial vision and academic excellence. This success was made possible through the steadfast guidance of the teachers and the mentors. Their encouragement and expertise provided the students with the confidence to compete at such a prestigious platform and to carry forward the institution's reputation for innovation and enterprise.

The college extends heartfelt congratulations to the students and mentors for this remarkable accomplishment. Their journey at InnoManthan stands as an inspiring reminder that with determination, teamwork, and mentorship, our learners can rise to meet challenges and leave a lasting mark on the academic and professional landscape.

TEACHER'S DAY CELEBRATION – A TRIBUTE TO MENTORSHIP

On September 5th, the campus of S.E.A. College of Science, Commerce and Arts resonated with joy and gratitude as students came together to celebrate

Teacher's Day a tradition rooted in the birth anniversary of Dr. Sarvepalli Radhakrishnan, the eminent philosopher, scholar, and former President of India, whose vision of education continues to inspire generations. In honor of their beloved mentors. The day unfolded with warmth and festivity, reflecting the deep respect and affection students hold for their guides and role models. The celebrations were marked by a series of engaging activities and fun-filled games that brought smiles to every participant. Students showcased their creativity and enthusiasm, ensuring that their teachers felt cherished beyond the classroom walls. A symbolic cake cutting ceremony added sweetness to the occasion, while the distribution of prizes recognized the spirited involvement of both faculty and students in the day's events. The program was not merely a celebration but a heartfelt acknowledgment of the invaluable role teachers play in shaping lives and nurturing futures. With laughter, applause, and tokens of appreciation, the event beautifully captured the essence of Teacher's Day, reminding everyone that great educators inspire not only through lessons but through the joy they bring to every moment shared.

RASHTRIYA POSHAN ABHIYAAN

The Department of Clinical Nutrition and Dietetics organized the Rashtriya Poshan Abhiyaan Nutrition Expo & Healthy Food Awareness Programme on

9 September 2026. The event aimed to promote awareness about balanced nutrition, hydration, food safety, and healthy lifestyle practices among students and the wider college community. Educational displays, posters, collages, and nutrition related

messages prepared by students created an engaging platform for learning. A Healthy Food Awareness Class highlighted the importance of consuming a balanced diet rich in carbohydrates, proteins, fats, vitamins, minerals, fibre, and water, with special emphasis on hydration. Students actively participated in presenting creative and informative materials, making nutrition concepts simple and accessible. The programme successfully combined academic knowledge with community outreach, giving students practical experience in communication, presentation, and awareness creation. It reinforced the importance of preventive nutrition and inspired participants to adopt healthier dietary practices.

MEITY STARTUP HUB: EMPOWERING INNOVATION IN HEIS

The Institution's Innovation Council organized an online session on "MeitY Startup Hub: Empowering Innovation in HEIs" on 10 September 2026. The programme, led by Mr. Utkarsh Mathur, Senior Manager at MeitY Startup Hub, highlighted the role of the Ministry of Electronics & IT in strengthening the startup ecosystem within higher education institutions. Students and faculty

gained awareness of startup opportunities, incubation programmes, and innovation support systems available through government initiatives. The session emphasized the importance of entrepreneurship, technology driven innovation, and collaboration between institutions and industry. Participants were encouraged to transform creative ideas into viable ventures and to actively engage with incubation and innovation platforms. The activity proved highly informative, motivating the academic community to explore new opportunities and strengthen its engagement with the startup ecosystem.

SMART INDIA HACKATHON 2026

The Institution Innovation Council in association with IQAC organized the Smart India Hackathon 2026 on 10 September. The event provided a dynamic platform for students to identify real world problems and present innovative, technology driven solutions. Six teams comprising thirty students participated, showcasing projects that reflected creativity, technical knowledge, teamwork, and entrepreneurial thinking. An esteemed panel of judges from academia and industry evaluated the projects on innovation, feasibility, relevance, and

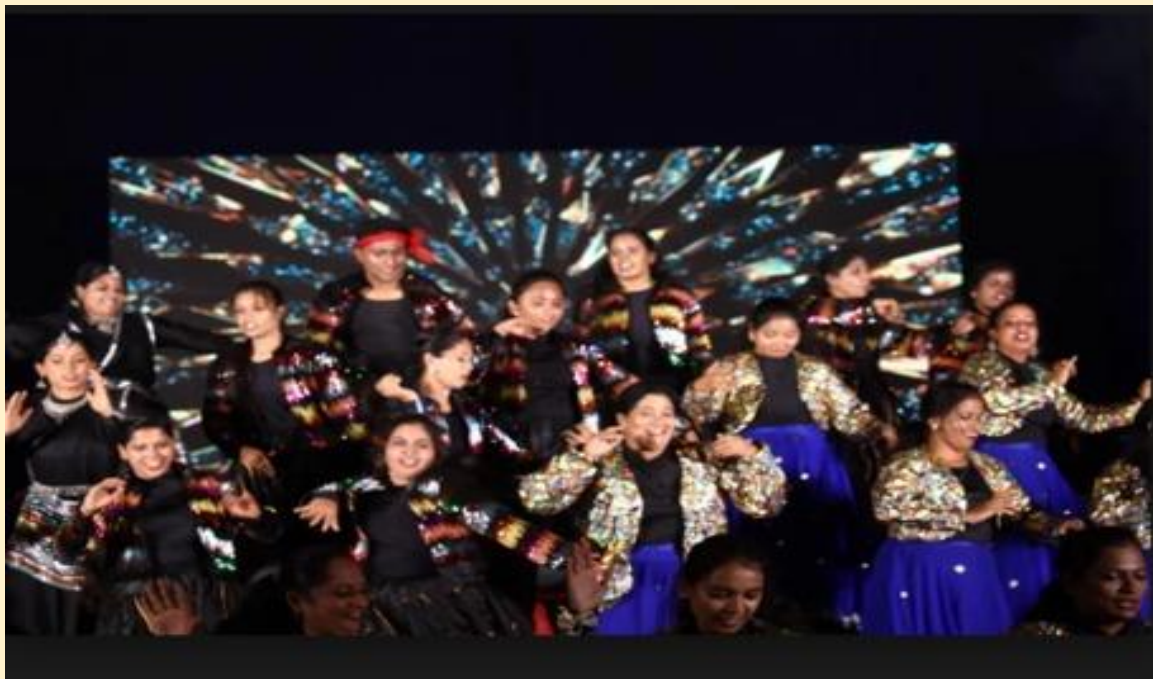

presentation quality. The team Run Time Rebels secured the first prize, while Aero Fire won the second prize, with all participants receiving certificates of appreciation. The hackathon encouraged design thinking, collaborative problem solving, and confidence in presenting technical ideas. Overall, the activity proved to be an engaging and impactful initiative, strengthening students' innovation and problem solving skills while motivating them to pursue entrepreneurial approaches to real world challenges.

Teacher's Day Celebration by SEA Group of Institutions – Honouring Educators with Grace and Gratitude

On September 10th, the management of the S.E.A. Group of Institutions organized a grand celebration of Teacher's Day, continuing the tradition inspired by the birth anniversary of Dr. Sarvepalli Radhakrishnan, the distinguished philosopher, statesman, and former President of India. His vision of education as a noble service to humanity set the tone for the day's festivities. The event was marked by reverence and joy as teachers were honored for their invaluable contributions. Faculty members themselves enlivened the program with spirited cultural performances, showcasing their talents beyond the

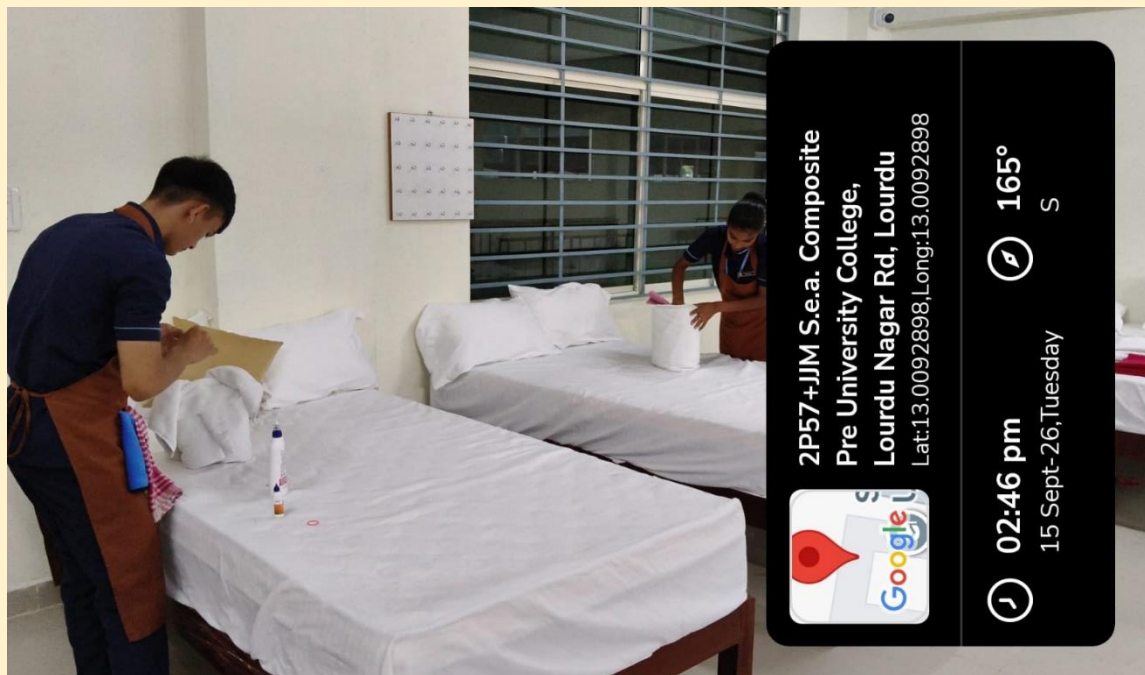

classroom. A specially curated dance workshop added vibrancy, encouraging teachers to explore art and expression in a refreshing way. In a gesture of appreciation, the management presented gift vouchers to the faculty, symbolizing gratitude for their dedication and service. The occasion was further graced by the presence of Mrs. Anupama K, Joint Secretary and Treasurer, and Mr. Rohan Yadav, Trust Member, whose participation underscored the institution's commitment to celebrating its educators. The celebration was not merely ceremonial but a heartfelt tribute to the guiding lights of the institution. By honoring teachers with creativity, recognition, and warmth, the SEA Group reaffirmed that teaching is a legacy of inspiration, echoing Dr. Radhakrishnan's belief that true educators awaken minds and nurture futures.

INTERNATIONAL HOUSEKEEPING WEEK

The Department of Hotel Management International Housekeeping Week from 13 to 19 September 2026 with a vibrant series of skill based competitions. The week began with an inaugural ceremony and a session on the Evolution of

Housekeeping in Hotels by Prof. Padmapriya, setting the tone for the activities. Students showcased their expertise in innovative bed making, towel art, blindfolded bed setups, rapid mopping, and poster creation, reflecting the precision and creativity required in the hospitality industry. Competitions were judged on neatness, speed, innovation, and adherence to professional standards, with winners recognized for their outstanding performances. The events highlighted the importance of teamwork, discipline, and attention to detail, while also familiarizing students with international housekeeping practices. Each day brought fresh challenges, from towel sculptures to rapid cleaning tasks, encouraging students to apply their classroom learning in practical contexts.

SEA STUDENTS PARTICIPATE IN FKCCI TOURISM CONVENTION

Students and faculty members from the BBA Aviation, BTM, and BHM programs of the college attended the Tourism Convention organized by the Federation of Karnataka Chambers of Commerce & Industry (FKCCI) at Sir

M V Auditorium, K.G. Road, Bengaluru on September 17, 2026. The convention, held under the theme “Connecting Destinations | Empowering Enterprises”, served as a prelude to World Tourism Day and provided a dynamic platform for dialogue on the evolving landscape of travel and hospitality. Participants gained valuable insights into the ways tourism can foster enterprise growth while strengthening cultural and economic connections across destinations.

Through keynote addresses and interactive sessions, the convention highlighted the importance of innovation, sustainability, and collaboration in shaping the future of tourism. For the students, the experience was both educational and inspirational, offering exposure to industry perspectives that complement their academic learning. The event reinforced the institution’s commitment to preparing students for leadership in hospitality and tourism management, equipping them with the vision and confidence to contribute meaningfully to this global sector.

INDUSTRIAL VISIT TO SULA-VINEYARD

The Department of Hotel Management, organized an industrial and educational visit to Mysuru, Karnataka, on 18th–19th September 2026. The trip was designed to provide practical exposure to the hospitality, tourism, food and beverage, and cultural sectors. At Domaine Zula Vineyard, students gained insights into vineyard management, grape cultivation, wine production, and the growing significance of wine tourism, guided by Mr. Tanish. The visit highlighted how vineyards are developed as tourism destinations and how visitor experiences are curated. In their visit to Mysuru's heritage attractions, where students explored cultural tourism, destination management, and the importance of preserving historical monuments. These experiences helped them appreciate the economic and social value of tourism while connecting classroom concepts with real world practices. Students displayed discipline, professional grooming, and teamwork, actively engaging with industry personnel and faculty throughout the programme.

The trip strengthened professional relationships between students and faculty while enhancing communication, etiquette, and interpersonal skills. Above all, it enabled learners to develop a deeper appreciation for experiential learning and the dynamic interplay between hospitality, heritage, and tourism.

MYTHALI SUPERCHEF CHALLENGE

The Department of Hotel Management organized the MyThali Orientation Programme on 17 September 2026 as part of the Arogya World MyThali SuperChef Challenge. The session was conducted for students across all academic years to raise awareness about balanced nutrition, healthy eating habits, and the importance of the MyThali concept. Resource person Dr. Meghna explained the significance of including all essential food groups in

daily meals and emphasized how a well balanced thali contributes to overall health and wellbeing. Students were introduced to the MyThali SuperChef Challenge and encouraged to apply nutritional knowledge creatively in food preparation. The interactive session

also included a baseline survey under the Arogya World initiative, allowing students to engage actively with the programme. Discussions highlighted the practical application of nutrition in hospitality and food service, linking classroom learning with real world practices. The programme successfully combined nutrition awareness with hospitality education, motivating students to adopt healthier practices and integrate them into their professional journey.

ACADEMIC EXPOSURE VISIT TO FIRE AND LABOUR DEPARTMENT BY MSW

The Department of Social Work organized a field visit on September 18, 2026 to the Fire and Labour Department, offering students a meaningful opportunity to engage with frontline institutions that safeguard community welfare. The visit was designed to deepen understanding of occupational safety, labour

rights, and emergency response mechanisms, all of which are integral to the practice of social work. Faculty and students interacted with officials who shared insights into the department's responsibilities, ranging from enforcing labour regulations to ensuring workplace safety standards. The exposure highlighted the critical role of social workers in advocating for humane working conditions and supporting vulnerable populations in industrial and occupational settings. Observing the coordination between fire services and labour authorities provided students with a holistic perspective on how social policy, law, and emergency management intersect in practice. The visit reinforced the department's commitment to experiential learning, equipping students with knowledge that bridges classroom theory and real world application. This initiative not only enriched academic learning but also inspired students to recognize their future role as professionals dedicated to social justice, community resilience, and the protection of human dignity.

GREEN LEAFY VEGETABLES EXPO

The Department of Clinical Nutrition and Dietetics organized a Green Leafy Vegetables Expo on September 21, 2026 to highlight the diversity and nutritional significance of green leafy vegetables. The initiative aimed to

sensitize students and the wider community to the vital role these foods play in promoting micronutrient adequacy, enhancing dietary fiber intake, and supporting overall health. The exhibition showcased a wide array of leafy varieties, each accompanied by information on its nutrient profile, culinary applications, and therapeutic relevance. By presenting vegetables rich in iron, calcium, folate, and antioxidants, the expo reinforced the department's commitment to preventive nutrition and evidence based dietary practices.

In addition to awareness, the event featured the sale of leafy vegetables, offering students practical exposure to food business operations. This entrepreneurial component allowed them to understand supply chain dynamics, consumer engagement, and the importance of sustainable food practices. The Green Leafy Vegetables Expo thus combined academic learning with community outreach, equipping students with both scientific knowledge and applied skills. It stood as a reminder that nutrition education is most impactful when it bridges classroom theory with real world practice, fostering healthier choices and entrepreneurial confidence.

VISIT TO CHANAKYA TRAINING ACADEMY

The Department of Social Work organized a comprehensive HR Training Programme on Human Resource Recruitment Responsibilities at Chanakya Training Academy, Kengeri, on 22 September 2026. Led by Mr. Veeresh, Managing Director of the Academy, the six hour session focused on enhancing students' knowledge and skills in human resource management. The

training emphasized employee recruitment, training, and development processes, while also highlighting leadership, teamwork, communication, and workplace ethics. Students gained practical insights into performance management, employee engagement, and organizational culture through interactive discussions and activities. The programme helped participants strengthen their problem solving and decision making abilities, while also improving confidence in professional communication. Key highlights included understanding HR fundamentals, developing interpersonal skills, and appreciating the importance of workplace ethics. Overall, the training proved to be highly informative and engaging, equipping students with employability skills and preparing them for future career opportunities in human resource management.

ORIENTATION PROGRAMME WITH TAMARA LEISURE EXPERIENCES

On September 22, 2026 the Department of Hotel Management hosted an Orientation Programme in collaboration with Tamara Leisure Experiences,

creating a platform for students to gain valuable insights into the hospitality industry. The session introduced learners to the ethos of professional service, operational excellence, and the evolving standards of guest engagement that define contemporary hospitality. Industry experts from Tamara Leisure Experiences shared perspectives on resort management, sustainable practices, and the importance of innovation in enhancing guest satisfaction. The interaction provided students with a clear understanding of how theoretical knowledge translates into practical application within diverse hospitality settings.

The programme also emphasized the significance of adaptability, teamwork, and leadership in hotel operations. For the students, this orientation was not only an introduction to industry expectations but also an inspiring opportunity to envision their future roles as professionals committed to service quality and organizational growth. By partnering with Tamara Leisure Experiences, the department reaffirmed its dedication to bridging academic learning with industry exposure, ensuring that students are well prepared to meet the challenges and opportunities of the global hospitality sector.

ACHIEVEMENT BY STUDENTS: PUBLICATION OF PROJECT REPORTS WITH ISBN

The Department of Computer Applications successfully facilitated the completion and publication of 40 MCA Long Term Projects with ISBN numbers during the academic year 2025-26. The projects reflect the students' ability to apply emerging technologies and computing concepts to real-world problems. The project themes cover diverse areas including Artificial Intelligence, Machine Learning, Internet of Things (IoT), Cloud Computing, Cybersecurity, Data Analytics, Smart Systems, Healthcare, Education, Banking, Agriculture, and Management applications.

The publication of these projects with ISBN numbers marks a significant academic achievement, providing students with an opportunity to formally document and showcase their innovative project work under the guidance of Dr. K. Adishesha, Mr. Manjunatha S, Mrs. Parnapalli Pushpanjali and Mrs. Prasanthi Kolluri. The initiative also encourages research orientation, technical creativity, practical problem-solving skills, and professional development among MCA students.

A total of 40 project titles were published with individual ISBN numbers on 22 September 2026, with students and faculty members contributing as authors and project guides.

It is also a matter of gratification to note that 12 of these projects were submitted for consideration under "Smart India Hackathon 6.0". organized by MSME Ministry.

CAREER GUIDANCE SEMINAR – RIGHT GUIDANCE TODAY, A BRIGHTER TOMORROW

The Career Guidance and Placement Cell of the college organized a seminar

on September 23, 2026 to empower students with knowledge and practical guidance for informed academic and career decisions. The session focused on higher education opportunities, diverse career pathways, industry requirements, and

employability prospects. Led by Ms. Bhramarambika K.G., Educator and Career Guide from Tumkur University, the seminar provided valuable insights into career planning, skill development, and goal setting. Students actively engaged in discussions and clarified their queries during the interactive session, which emphasized the importance of identifying personal strengths and aligning them with professional aspirations. A total of 61 students and 3 faculty members participated, gaining awareness of industry expectations and the competencies required for success. Key highlights included guidance on postgraduate options, employability skills, and real life examples that illustrated career challenges and opportunities. The seminar enhanced confidence among participants, encouraged reflection on individual goals, and motivated them to prepare effectively for future careers. It stood as a meaningful initiative that combined awareness, practical insights, and expert guidance to inspire students toward purposeful academic and professional growth.

TRINETHRA: THE FORENSIC CASE FORUM

The Department of Forensic Science organized the third edition of TRINETHRA: The Forensic Case Forum on 23 September 2026, focusing on the high profile Sheena Bora Case. Designed as an interdisciplinary platform,

the forum enabled students to analyze the case through the lenses of forensic science, psychology, and law. The session was led by Mr. Phaneendar B N, Court Commissioned Advocate from CLUE 4 Evidence, whose

extensive expertise in forensic document and fingerprint examination, digital evidence, and courtroom practice enriched the discussion. His insights highlighted the importance of precision, ethical responsibility, and scientific rigor in professional practice. Students engaged actively in discussions that bridged theoretical knowledge with real world case applications. The forum emphasized the interdisciplinary nature of forensic science, combining law, science, and investigative skills to strengthen judicial processes. This initiative reinforced the department's commitment to experiential learning and professional preparedness, equipping students with the analytical perspective and confidence required to contribute meaningfully to the field of forensic science.

HINDI DIWAS CELEBRATION – HONORING LINGUISTIC INTEGRITY

On September 23, 2026 the Department of Languages celebrated Hindi Diwas with a vibrant program that underscored the importance of Hindi as a pillar of

India's cultural and literary heritage. The event sought to promote the use and development of Hindi, instill respect for its literature, and nurture

communication, reading, and writing skills among students. A series of activities including Nibandh Lekhan, poem recitation, poster making, and speech competitions brought forth the creativity and enthusiasm of participants.

Students showcased their talent with remarkable energy, while faculty members joined in to encourage and support the celebration. The program highlighted the richness of Hindi and its role in preserving linguistic integrity and cultural identity. It created awareness of Hindi's relevance in contemporary India and inspired students to embrace the language in their daily communication.

With 52 students and 7 faculty members participating, the celebration became a lively forum for expression and learning. The outcome was evident in the confidence, creativity, and appreciation displayed by the students, who left with a deeper sense of connection to Hindi literature and culture.

ANTI RAGGING AWARENESS TALK

On September 24, 2026, the Anti Ragging Committee organized an Awareness Talk to sensitize students about the seriousness of ragging and to reinforce the institution's commitment to a safe and respectful campus environment. The session was led by Advocate Mr. Yassar Rehman Shah, and Advocate Rashmi, lawyers practicing at the Mayohall City court, Bengaluru, addressed the legal,

ethical, and social dimensions of ragging, emphasizing that it is a punishable offense and a violation of student rights.

Students were reminded of the importance of fostering inclusivity, mutual respect, and responsibility within the academic community. The talk highlighted the role of awareness in preventing misconduct and encouraged students to uphold values of dignity and compassion in their interactions. The program was both informative and impactful, creating a strong sense of accountability among participants. By engaging directly with the legal perspective, the session empowered students to recognize their role in maintaining a campus culture free from intimidation and harassment. This initiative reaffirmed the college's dedication to student welfare and its proactive stance in ensuring that every learner experiences a safe, supportive, and enriching academic journey.

NSS DAY CELEBRATION

The NSS Unit of the College celebrated National Service Scheme Day on September 24, 2026 with a program that reflected the motto “Not Me, But You.” The event brought together students and faculty to reaffirm their

commitment to social responsibility, community engagement, and nation building through voluntary service.

The celebration included reflections on the values of selfless service, discipline, and civic responsibility that lie at the heart of the NSS movement. Students participated in discussions and activities that emphasized the importance of collective effort in addressing social challenges and fostering community welfare.

Speakers highlighted the role of NSS in shaping socially conscious citizens who are prepared to contribute meaningfully to society. The program encouraged students to embrace service as a way of life, cultivating empathy, leadership, and a spirit of cooperation.

The day concluded with a renewed pledge to uphold the ideals of NSS, reminding participants that true education extends beyond the classroom into the service of humanity. The celebration stood as a testament to the enduring relevance of NSS in nurturing character, integrity, and civic responsibility among youth

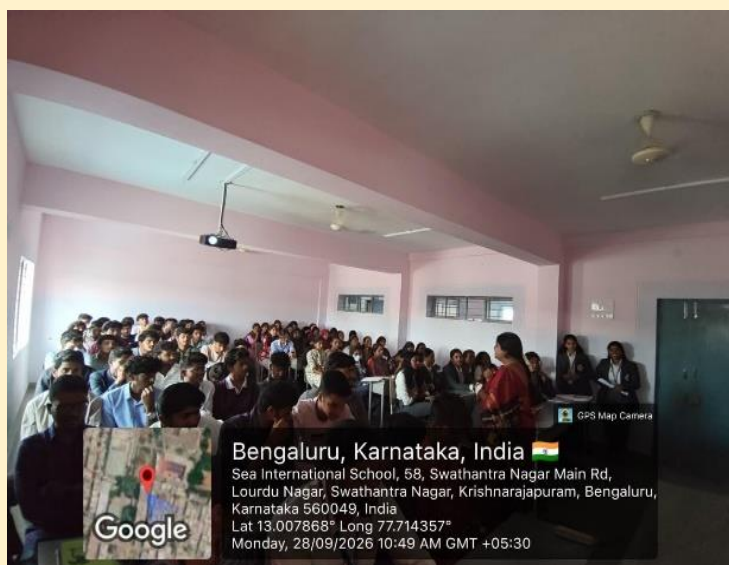

CELEBRATING ACADEMIC EXCELLENCE

On 26th September 2026, at the prestigious IIT Madras Research Park, Chennai, Dr. K. Adishesha, Professor and Co ordinator, Department of Computer Science and Applications, SEA College of Science, Commerce and Arts (Autonomous), was conferred with the Innovative Academic Leadership Award under the banner of the SMART Education Leadership Awards 2026. This distinguished honour, presented by the London Organisation of Skills Development and ESN Publications, recognizes Dr. Adishesha's outstanding contributions to education, research, publication, and academic development. His visionary leadership and unwavering commitment to excellence have set consistently high standards, inspiring both colleagues and students alike. The College community takes immense pride in this achievement, which not only brings laurels to the institution but also reaffirms its dedication to fostering innovation and scholarly distinction. Heartfelt congratulations to Dr. Adishesha on this richly deserved recognition.

WORKSHOP ON BUSINESS PLAN ENHANCES ENTREPRENEURIAL SKILLS

On 28th September, the Department of Commerce & Management in

collaboration with the ED Cell organized a workshop on Business Plan. The session provided students with valuable insights into structuring and presenting effective business strategies, fostering creativity, and encouraging entrepreneurial

thinking. Through interactive discussions and practical guidance, participants gained a deeper understanding of how innovative ideas can be transformed into viable business models. The initiative reflects the institution's commitment to nurturing future leaders equipped with both knowledge and enterprise.

ESSAY WRITING COMPETITION ON WORLD SUICIDE PREVENTION DAY

On 30th September 2026, the Department of Psychology at S.E.A College of Science, Commerce and Arts (Autonomous) organized an Essay Writing Competition to mark World Suicide Prevention Day. The event, held in the Psychology Lab, invited students to reflect on the theme "Changing the narratives on suicide: start the conversation." Participants engaged deeply with the sensitive subject, producing thoughtful essays that highlighted awareness, empathy, and the importance of dialogue in mental health. The competition not only encouraged academic expression but also underscored the institution's commitment to social responsibility and holistic education. By fostering open

conversations, the initiative aimed to inspire students to become advocates for compassion and change.

WEB DESIGNING COMPETITION-INNOVATING THE DIGITAL FRONTIER

On 30th September 2026, the Department of Computer Applications hosted a

Webpage Design Competition that brought together the technical acumen and creative flair of BCA students. With the theme Create • Design • Innovate, participants demonstrated their ability to blend coding precision with

aesthetic design, producing dynamic and visually engaging websites. The event not only highlighted the students' proficiency in web technologies but also

encouraged innovation, problem solving, and teamwork. Such initiatives reflect the department's commitment to nurturing industry ready professionals who can transform ideas into impactful digital solutions.

INDUSTRIAL VISIT TO TIBR-THIRUVANANTHAPURAM

On 30 th September, students from the Department of Forensic Science and the

Centre for Bioscience Learning (CBL) visited the Travancore Institute of Biosciences and Research (TIBR). The visit offered an enriching opportunity to explore advanced research facilities and gain first hand insight into cutting edge

practices in biosciences and forensic investigation. Students were introduced to diverse aspects of laboratory research, instrumentation, and applied methodologies that bridge theory with professional practice. The exposure not only deepened their understanding of scientific inquiry but also highlighted the interdisciplinary nature of forensic research, where biology, technology, and law converge. Such initiatives underscore the department's commitment to experiential learning and preparing students to contribute meaningfully to the evolving landscape of forensic science.

INDUSTRIAL VISIT TO MAGELLAN AEROSPACE PVT. LTD., TUMKUR

On 30th September 2026, the MBA students of the college visited Magellan Aerospace Pvt. Ltd., Tumkur, gaining valuable exposure to the operations of a leading global aerospace company. The visit offered insights into advanced

manufacturing processes, quality control systems, and the integration of technology in aerospace engineering.

Students had the opportunity to observe real time industrial practices and interact with professionals, enriching their understanding of how theoretical concepts translate into complex industry applications. The experience broadened their perspective on corporate functioning and highlighted the importance of innovation and precision in the aerospace sector.

This visit served as a significant learning milestone, strengthening the students' academic foundation while inspiring them to pursue excellence in their professional journeys.

TRAILBLAZERS

RESEARCH PUBLICATIONS

1. Mrs. Neha Fathima, Assistant Professor of Psychology along with Mr. Vishakh V Bhakthan, student of B.Sc. Psychology (III Year), at SEA College of Science, Commerce and Arts (Autonomous), co-authored a

research study titled “*A Study on Mental and Physical Health of High School Teachers*” published in the **SEA Multidisciplinary Journal of Research** with DOI: doi.org/10.34293/seamjr-v1i4-01. E-ISSN: 3108-1967.

AWARDS AND RECOGNITIONS

2. Asst Prof. Adishesha, Professor and Coordinator in the Post Graduate Department of Computer Science and Applications was honoured with the Innovative Academic Leadership Award 2026 on 26th September 2026 at IIT Madras Research Park, Chennai, in recognition of his outstanding contributions to education, publication, research, and development.
